**MEMORANDUM**

TO: District Directors  
Environmental Health Managers  
Environmental Health Supervisors  
Environmental Health Specialists

FROM: Roger A. Cooley, Assistant Technical Services Chief  
Division of Onsite Sewage and Water Services

Mike Vanlandingham, Environmental Health Supervisor  
Three Rivers Health District

SUBJECT: Avgol Polypropylene Spunbonded Nonwoven Filter Fabric  
Onsite - Product Approval - Material

Avgol Polypropylene Spunbonded Nonwoven Filter Fabric is suitable material for use at the interface of the gravel and soil, as required under Section 4.28.E.6.d of the Sewage Handling and Disposal Regulations, to prevent the migration of soil into the gravel. A copy of the manufacture's specifications is attached.

Approval of the product does not constitute endorsement for use. Please report any field problems that you may have with the product to me at (804) 786-1750.
