Allen, Texas 75013

Dear Mr. Skouby,

We have reviewed the literature from Black Hills Bentonite, L.L.C. / GeoPro, Inc. which you submitted on November 20, 2000, regarding approval of these grouting materials for use in Virginia. I am pleased to announce that the following materials, as described in your submittal, do meet section 12 VAC 5-630-410 C. 3. C. of the *Private Well Regulations*:

- Thermal Grout Select
- Thermal Grout Lite
- BH Ultra
- BH 20

It is important to note that these materials must be used in accordance with your explicit, manufacturer's instructions. I am sending a copy of this approval along with the instructions and product literature to our field staff as well to a representative of the Virginia Water Well Association. If I can be of further service, please call me at (804) 371-0780.

Respectfully,

Duke Price, Onsite Program Manager
