

Alternate Pump-Out Agreement

This agreement between _____ (Marina\OPWBAM) and _____ (Marina\OPWBAM) is made on this _____ (month/day/year) which provides for:

1. The alternate pump-out service to be furnished by _____ (Marina\OPWBAM). The pump-out service will be completed within 20 minutes from the time a customer from _____ (Marina\OPWBAM) has a boat ready to receive the pump-out service which has been previously requested. The pump-out service for holding tanks of 50 gallon capacity or more (sewage holding) may exceed twenty minutes.
2. The operating hours of _____ (Marina\OPWBAM) will be from _____ (month/day/year, hours of operation and number of days per week – **Example: May 15 through September 15, 8:00am to 8:00pm, seven days a week**).
3. _____ (Marina\OPWBAM) is located within three miles as measured along the water route from _____ (Marina\OPWBAM) or is located along the normal travel route to open water from _____ (Marina\OPWBAM).
4. _____ (Marina\OPWBAM) pump-out facility is of sufficient capacity to handle the demand for the pump-out service, in accordance with Section 2.7-C of the **Sanitary Regulations for Marinas and Boat Moorings**.
5. _____ (Marina\OPWBAM) will post a notice of the location of the alternate pump-out service, so as to be conspicuous to all boaters.
6. The pump-out service at _____ (Marina\OPWBAM) to be available to all boats moored at _____ (Marina\OPWBAM).
7. _____ (Marina\OPWBAM) pump-out fees under this agreement will be \$5.00 or less except for holding tanks of 50-gallon capacity or more (sewage holding) in which case, the fee may be adjusted accordingly.
8. The agreement to be valid for one year which will be automatically renewed on _____ (month/day) of each year, unless _____ (Marina\OPWBAM) or _____ (Marina\OPWBAM) management gives at least a 60-day termination notice in writing to the other marina and to the Director of the Division of Wastewater Engineering of the Virginia Department of Health prior to the renewal date.
9. If termination notices of the agreement are issued by _____ (Marina\OPWBAM) or _____ (Marina\OPWBAM), then _____ (Marina\OPWBAM) shall either provide pump-out service, or obtain a new written agreement by the effective date of the termination of the use of _____ (Marina\OPWBAM) pump-out service.
