

# VIPTA

Virginia Infection Prevention  
& Control Training Alliance

## Become a Partner

Share your educational events  
on the statewide calendar

Increase awareness of locally  
developed infection prevention  
& control (IPC) content

Build an IPC network  
across Virginia

### ABOUT VIPTA

VIPTA is a statewide infection prevention and control (IPC) education collaborative.

- Led by the Virginia Healthcare-Associated Infections Advisory Group

### IS VIPTA FOR YOU?

VIPTA is a collection of IPC resources for healthcare workers, congregate care staff, and public health professionals.

### VIPTA PRODUCTS

#### BULLETIN
