Here...now...  
the Perfect Training Ground

A photograph of a traditional horse-drawn carriage in a dusty, possibly Middle Eastern or South Asian, town. The carriage is made of wood and has large, worn-out wheels. A dark brown horse is harnessed to the carriage, and a man in a blue tunic and trousers is standing next to it, holding a small child. The background is a hazy, dusty street with other people and buildings visible.

Advanced Life Support Unit

Which wheel reflects your life?

How would your spouse, kids,  
or dog respond?

A MASTER IN THE ART OF LIVING  
DRAWS NO SHARP DISTINCTION BETWEEN  
    HIS WORK AND HIS PLAY,  
    HIS LABOUR AND HIS LEISURE,  
    HIS MIND AND HIS BODY,  
    HIS EDUCATION AND HIS RECREATION.  
    HE HARDLY KNOWS WHICH IS WHICH.  
HE SIMPLY PURSUES HIS VISION OF EXCELLENCE  
    THROUGH WHATEVER HE IS DOING AND  
    LEAVES OTHERS TO DETERMINE WHETHER  
        HE IS WORKING OR PLAYING.  
TO HIMSELF HE ALWAYS SEEMS TO BE DOING BOTH.  
    ENOUGH FOR HIM THAT HE DOES IT WELL.
