Topic/Subject	Discussion	Recommendations, Action/Follow-up; Responsible Person
1. Welcome	The meeting was called to order by Dr. McLeod at 10:35 AM	
2. Introductions	No Introductions, Attendance as per sign-in roster See Attachment 'A'	Meeting Sign-in Roster See Attachment 'A'
3. Approval of Agenda		Approved by consensus
4. Approval of Minutes	Approval of minutes from the July 9, 2015 meeting.	Approved by consensus
5. Special Presentation	Shannon Daniel, Training Manager, Richmond Ambulance Authority seeking guidance from MDC in reference to SWAT medic protocols for the tactical medical team. Clarification of reason for request sought. Discussion and comments from committee concerning the document that was originally submitted. Chip Decker stated that the document submitted was not for distribution and they were not requesting a variance. They are seeking an avenue for groups who are interested in tactical medicine to seek guidance and direction. Karen Owens, Manager, Division of Emergency Operations stated that Tactical Medicine is now being overseen by the Emergency Operations Division. A workgroup is being formed that will address requests, inquiries and to offer

		guidance and direction. Stated that Adam Galton, Virginia State Police, will be serving on the workgroup. They will be looking for members to serve in this capacity. Dr. Reed Smith and Dr. Charles Lane and Dr. Scott Weir are interested in participating.	
6. Drug Enforcement Administration (DEA) & Board of Pharmacy (BOP) Compliance Issues		Dr. George Lindbeck stated the DEA is conducting an internal rewrite of some of their regulations. Not real clear where that is heading and no further information has been shared to this point.	
7. Old Business			
A	TSOM Update – Forrest Calland, MD	Gave update to committee concerning the recent trauma site visit and the Trauma Systems oversight group desire to add a member to the Trauma Systems Committee. Trauma System evaluation affirmed the need to get new trauma systems in the more remote environments of our state but to also access need of a system desiring designation that is located near or beside an existing system. One major item being discussed, when to advise providers to drive by one location to go to another. Thought of Tier 1 combinations and whether to bypass to the best location. More robust response of systems to dispatch appropriate level of care by ground to intercept trauma patient at location being transported to.	Member of TCC to be appointed to committee – Marilyn McLeod desires to serve in this capacity. Committee in agreement.
B	IABP Paramedic Transport – Dr. Marilyn McLeod	Gave committee an update on the meeting that was held on July 9 th . Feeling of workgroup was that the transport by paramedic level care only was not acceptable. Agreement to attempt to fast track the ability for a perfusionist, biomechanical technician or Registered Cardiovascular Invasive Specialist (RCIS) to meet the requirements for these transports. Randy Breton stated that if there is going to continue to be a major delay in the ability to accept someone other than an RN that the information be related to the hospitals from OEMS to assist the transport agencies in enforcing this requirement.	Motion by Dr. Stewart that MDC supports changes to regulations that a perfusionist or RCIS tech be allowed to meet the requirements for transport of an IABP. Seconded by Dr. Lane. Unanimous approval.
7. New Business			
A	TCC Report	Dr. Lane provided an overview of the action item presented to the TCC committee for the new CE process and new effective date of July 1, 2015.	Motion by Dr. Lane, 2nd by Dr. Martin, unanimous approval for action item to GAB of MDC support
B	CARES – Dr. Allen Yee (given by M. McLeod)	Wanted to see if committee is in support of participation of the new cardiac arrest registry. Gary Brown reported there would be a presentation at the Advisory Board meeting in November. Committee agrees they are willing to participate in the registry.	
C	Report from Regions	1) REMS – Dr. Tania White stated that they have worked on revision of protocols. Some issues concerning Ketamine and stocking in EMS boxes. OMD involvement in meetings has been minimal but continues to

		<p>encourage participation.</p> <p>2) TEMS – Dr. Stewart Martin stated that doing Morphine only for pain control. Discussion concerning use of Fentanyl. Dr. McLeod wanted to know if anyone giving Tylenol or Toradol for pain control. Dr. Reed Smith stated looking at use of IV Tylenol. Also, uses Toradol. Have started a Fellowship with EVMS, EMS ultrasound that should start next year as a two year fellowship.</p> <p>3) WVEMS – Dr. Charles Lane – Has a two year fellowship now in the region that should assist in future changes. Serving more often as a Medical Examiner in relation to his role as an EMS physician for his region. Gave information about events that have been significant crisis events for his region and the overlapping of these roles.</p> <p>4) PEMS – Dr. Chyril Lawson – Regional EMS offices are moving to allow a YMCA to open in their current location so that the citizens of Gloucester have that opportunity. New EMS protocols will be coming out and a redesign of their drug boxes.</p> <p>5) MAL - Dr. Forrest Calland – Have recognized that more than 17% of EMS providers have issues with PTSD. They have designed an 8 week program to deal with issues for providers. If anyone is interested in this program please let him know.</p> <p>6) EMSC – Dr. Guinn gave report on pediatric arrest. Will be looking at revisiting the pediatric capabilities of hospitals throughout the state.</p> <p>7) MAL – Dr. Scott Weir reported that have had one major event that resulted in a fatality. This has presented an opportunity to look at decision making and preplanning for a large scale event. Actively involved in 2nd Paramedic cohort class in collaboration at VCU. First class had 100% success on first attempt. Implementing a process for the mentors who will serve as preceptors.</p> <p>8) NVEMS – Dr. Reed Smith Introduced Kate Keller, PA who has been working with him for past year. Fire chief is retiring.
