YOU CAN

SAVE a LIFE
WITH a SPRAY

A single dose of **Naloxone** nasal spray can reverse the effects of an opioid overdose and **save a life.**

Give someone a second chance to live.

What Can You Do?

- Share resources with community members when treating overdoses. Visit www.curbthecrisis.com and www.cdc.gov/drugoverdose/patients/materials.html for helpful information.
- Become familiar with Virginia opioid data:
 - [Opioid Addiction Indicators](http://www.vdh.virginia.gov/data/opioid-overdose/)
 - [Emergency Department Data](http://www.vdh.virginia.gov/surveillance-and-investigation/syndromic-surveillance/drug-overdose-surveillance/)
 - [Fatal Drug Overdose Data](http://www.vdh.virginia.gov/surveillance-and-investigation/syndromic-surveillance/drug-overdose-surveillance/)
