

2020 RSAF Price List

This list represents the average cost per category of equipment awarded through RSAF, cross-referenced with averages from the Florida State Sheriff’s Association and Ohio state ambulance contracts. RSAF General Grant awards for items maintained on this list shall not exceed the approved amount per 12VAC5-31-2820. The Financial Assistance Review Committee (FARC) reviews RSAF applications and makes recommendations to the State Commissioner of Health based on the criteria outlined in 12VAC5-31-2830. FARC will evaluate items not included on this list on a case-by-case basis, and compare costs with state contract pricing where necessary. RSAF applicants are encouraged to seek the most cost-effective options possible in their applications.
