Subject: Educator Update: Virginia EMS Portal Changes Coming May 15, 2021
Attachments: Virginia EMS Portal Enhancements - May 15, 2021.pdf

This is a blanket e-mail message to all certified Education Coordinators and ALS Coordinators.

Dear Educators,

Good afternoon! Our IT Team has been very busy working to transition our database fully from its current configuration on local servers to virtual/cloud-based servers per [Executive Order 19 \(2018\)](#). Here are a few updates for you as we move into summer.

Active/Inactive CE Reports

Beginning May 15, 2021, the Virginia EMS Portal will enable providers who also carry a National Registry certification to generate their Active/Inactive CE Reports in real-time without the need to contact the Office of EMS. For those who either:

- forget to save a copy of their OEMS CE Report before recertifying; or
- those who do not keep their Virginia certification in sync with National Registry.

Providers will now be able to generate their active and/or inactive CE records by a date range of their choice. I have created a presentation (attached) which steps through this change.

Course Requests

When making a course request, you will now be able to add a URL to the request if there is a specific registration page/site that you would like potential students to visit. The URL will only be displayed to the public on "OPEN" courses on our public [EMS Training Course Locator](#). Additionally, the EMS Training Course Locator will present these data items on the main screen. Eventually, it is our intention to remove the report that is generated online by enhancing the data elements on the course search screen itself.

This is highlighted in the attached presentation.

Virginia EMS Portal Downtime - May 14 & 15, 2021

The Virginia EMS Portal will be down for maintenance on Friday, May 14, 2021 from 4PM until approximately 8PM. Additionally, on Saturday, May 15, 2021, the Virginia IT Agency (VITA) will begin maintenance on OEMS servers beginning at 8:00 AM and intermittent system outages are possible during the entire day. Any downtime experienced should not be long term. The Portal and all web applications associated with the portal database (e.g. Course Lookup, EMS Provider Search, etc.) will be unavailable during this time. We appreciate your patience while our IT Teams work to upgrade the Virginia EMS Portal.

Virginia EMS Portal Cloud Migration Downtime - May 21 & 22, 2021

The Virginia EMS Portal is scheduled for cloud migration on Friday, May 21 at 5:00 PM. The EMS Portal will be down from Friday, May 21 at 5:00 PM until Saturday, May 22 at 5:00 PM. All data will be moved from the existing servers to the cloud resulting in this extended downtime. Following cloud migration, we should see increased speed and efficiency due to increased bandwidth and computer processor enhancements.

The Portal and all web applications associated with the portal database (e.g. Course Lookup, EMS Provider Search, etc.) will be unavailable during this time. We appreciate your patience while our IT Teams and VITA personnel work to upgrade the Virginia EMS Portal.

EC Updates

Based on the continued drop in COVID-19 cases statewide and what we presume will be a relaxation in COVID precautions in June, we have begun the process of adding three additional updates to the calendar this year. Information on upcoming EC Updates is published on the OEMS website

at: <https://www.vdh.virginia.gov/emergency-medical-services/ems-educator-update-schedule/>

Please continue to check this page for new updates as they are confirmed.

Blackboard

ACE Division staff continue to work on integrating Virginia EMS Portal data with Blackboard. Pending positive outcomes from our current beta testing, we anticipate conducting online training for educators in late July and August with a fall implementation of our statewide learning management system. Stay tuned for more on Blackboard later this summer.

Virginia and National Registry Course Completion Verification

As EMR and EMT classes end, please remember to submit the TR.999 to Debbie to verify psychomotor competency. Additionally, PLEASE do not mark any student who has not submitted their National Registry application as passed until they have completed that requirement. The National Registry is having significant issues with processing the file that OEMS transfers to them verifying psychomotor competency. Debbie is carefully having to monitor this issue and without an application to review, she cannot evaluate the status of their file transfer.

Additionally, because of this situation, your students may test and receive a provisional EMT certification from the National Registry. Please assure them that this will be resolved and does not impact their Virginia EMT certification.

National Registry

Previously the National Registry had indicated that Pearson OnVUE would be removed after the pandemic was contained. However, it has been decided that OnVUE will remain a pathway indefinitely for the EMT and AEMT levels allowing them to take the examination either online or in person. Currently, there are no plans to add this as an option at the EMR or Paramedic levels.

Also, the National Registry Board of Directors will be meeting in June to review policy changes. One item for consideration is the limits on distributive education for those whose recertification date is March 31, 2022. Virginia providers who align their National Registry and Virginia certification cycles will continue to use the Virginia approved Recert 2.0 process. If the certification cycles are not aligned, they will be restricted to the distributive education hours allowed by the National Registry for the NCCR/LCCR and ICCR requirements.

AEMT and Paramedic Provisional Certifications

The National Registry and Virginia will no longer issue provisional certifications for AEMT and Paramedic testing candidates after June 30, 2021. Passing the cognitive and psychomotor examination will be required before certification is issued.

Additionally, any provisionally certified AEMT and Paramedic providers who have not successfully passed their psychomotor examination by December 31, 2021 will no longer be certified at that level on January 1, 2022.

Thank you for your continued dedication to Virginia's EMS System.

Best,

Chad

Chad Blosser | Education Program Manager | Virginia Office of Emergency Medical Services | Division of Accreditation, Certification & Education | 1041 Technology Park Drive, Glen Allen, VA 23059 | 804.888.9124 (p) | 804.371.3409 (f) | chad.blosser@vdh.virginia.gov | www.vdh.virginia.gov/emergency-medical-services/

Due to the COVID-19 pandemic the Office of EMS is teleworking and not available in the office. We continue to monitor the ongoing situation regarding the spread of COVID-19. For more information and updates on COVID-19 please visit the link below: <http://www.vdh.virginia.gov/emergency-medical-services/coronavirus-2019-covid-19/>.

Please let us know how we are doing by [clicking here](#) to complete a short customer experience survey.

The Office of EMS continues to monitor the ongoing situation regarding the spread of COVID-19. For more information and updates on COVID-19 please visit the link below: <http://www.vdh.virginia.gov/emergency-medical-services/coronavirus-2019-covid-19/>

If you are still having difficulty accessing the EMS Portal, please call the OEMS/VDH Help Desk at 804-888-9102.

The OEMS/VDH Help Desk is available Monday - Friday during normal business hours, except for state/federal holidays.

SPECIAL NOTICE:

If you are trying to schedule an appointment or have vaccination questions please use the vaccine help line. 877-VAX-INVA

EMS Provider Portal

Welcome to the Virginia EMS portal web site. As a reminder, your user ID is your Virginia EMS number. Your password is case sensitive.

If you are having trouble logging in, you can utilize one of the following to assist you:

1. Click on the [Reset Password](#) link under the [Sign In](#) button on the right. This will allow you to reset your password based upon your security questions. This is available Monday through Friday during normal business hours, except for state/federal holidays. You can also click on the right to send an email to the helpdesk.
2. Click on the [Forgot Password](#) link under the [Sign In](#) button on the right. This will allow you to reset your password based upon your security questions. This is available Monday through Friday during normal business hours, except for state/federal holidays. You can also click on the right to send an email to the helpdesk.
3. Click on the [Forgot Password](#) link under the [Sign In](#) button on the right. This will allow you to reset your password based upon your security questions. This is available Monday through Friday during normal business hours, except for state/federal holidays. You can also click on the right to send an email to the helpdesk.
4. Click on the [Forgot Password](#) link under the [Sign In](#) button on the right. This will allow you to reset your password based upon your security questions. This is available Monday through Friday during normal business hours, except for state/federal holidays. You can also click on the right to send an email to the helpdesk.
5. Check your CE.
6. Confirm your recertification eligibility.
7. Obtain your eligibility to test letter for access to Va. Consolidated Test Sites and National Registry psychomotor examinations.
8. Initiate affiliating with an EMS Agency.

You can also click on the right to send an email to the helpdesk. Through the portal you can:

If you have any suggestions for improving the Virginia EMS Portal, please email your suggestions to Chad Blosser at chad.blosser@vdh.virginia.gov.

35	2		41198	E	11/25/2019	8	12/6/2019	Inactive
36	2		40310	E	10/29/2020	2	11/10/2020	Inactive
37	2	20	25664	E	2/22/2021	3.5	2/22/2021	Inactive
38	2	19	25663	E	2/22/2021	1	2/22/2021	Inactive
39	2	18	25662	E	2/22/2021	2.5	2/22/2021	Inactive

Data will be displayed in Excel allowing for sorting and filtering as needed.

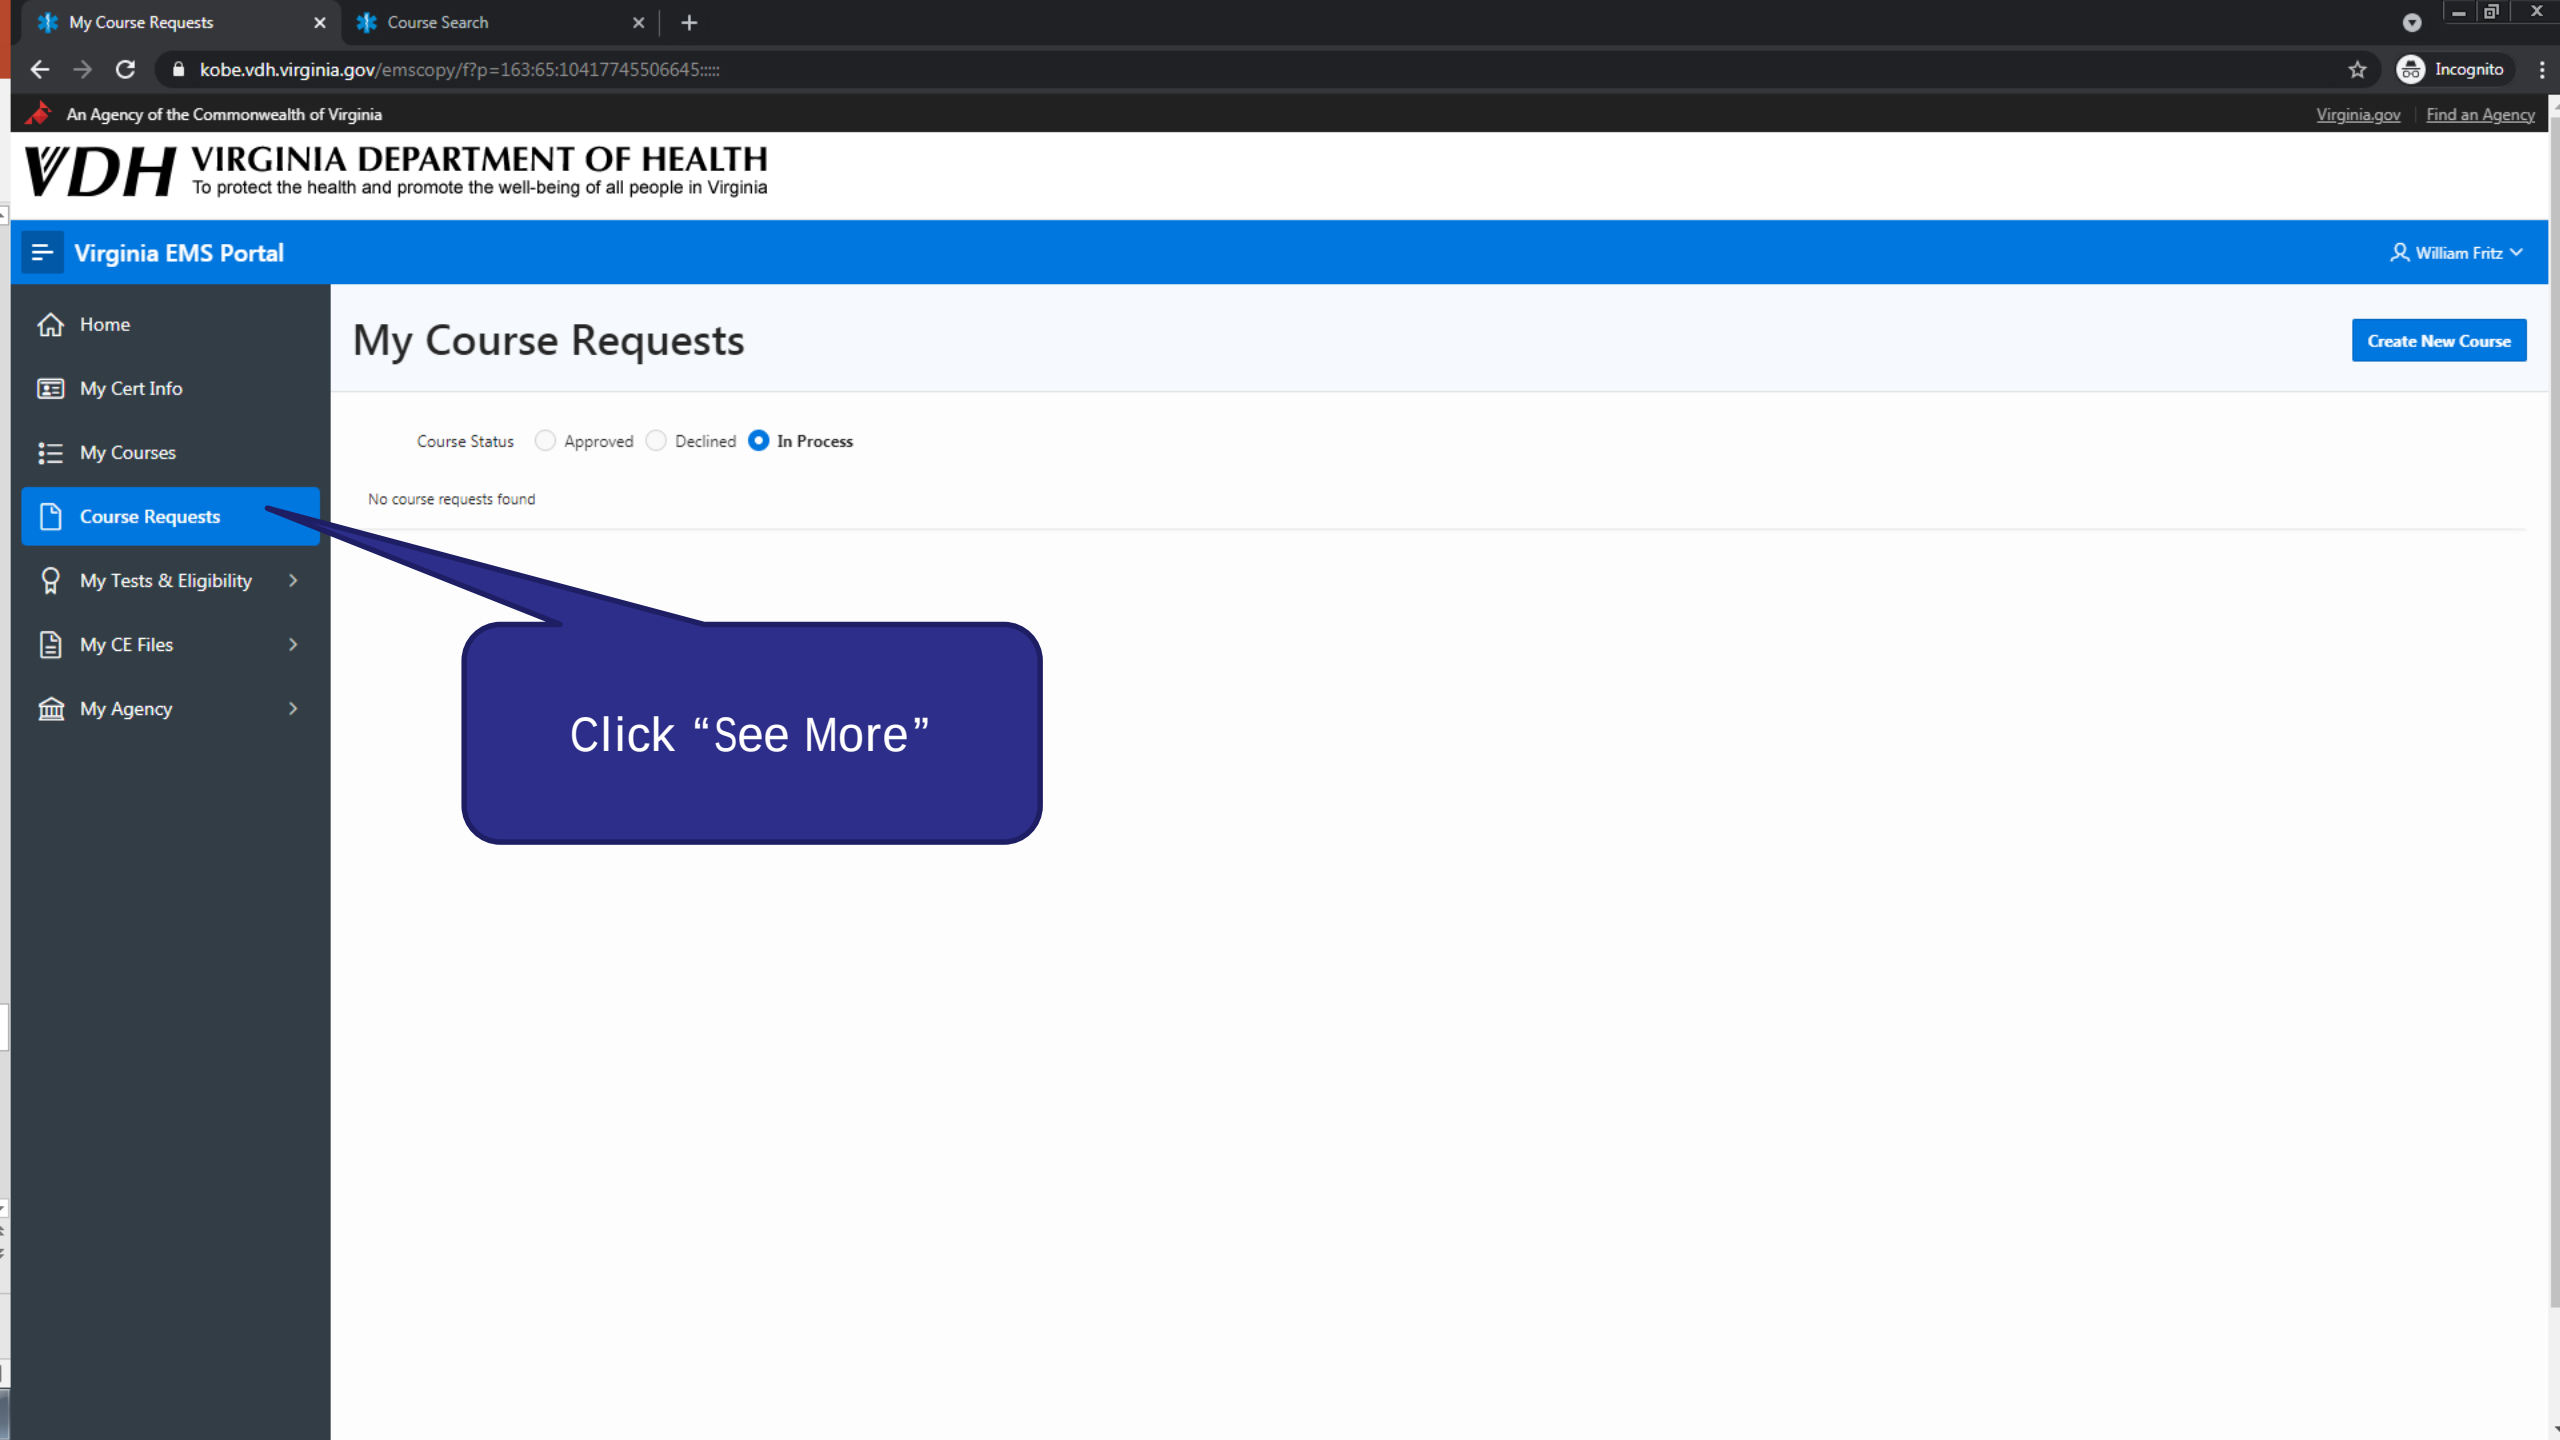

This will enable providers who also carry a National Registry certification to generate their **Active/Inactive CE Reports** in real-time without the need to contact the Office of EMS. Examples include providers who:

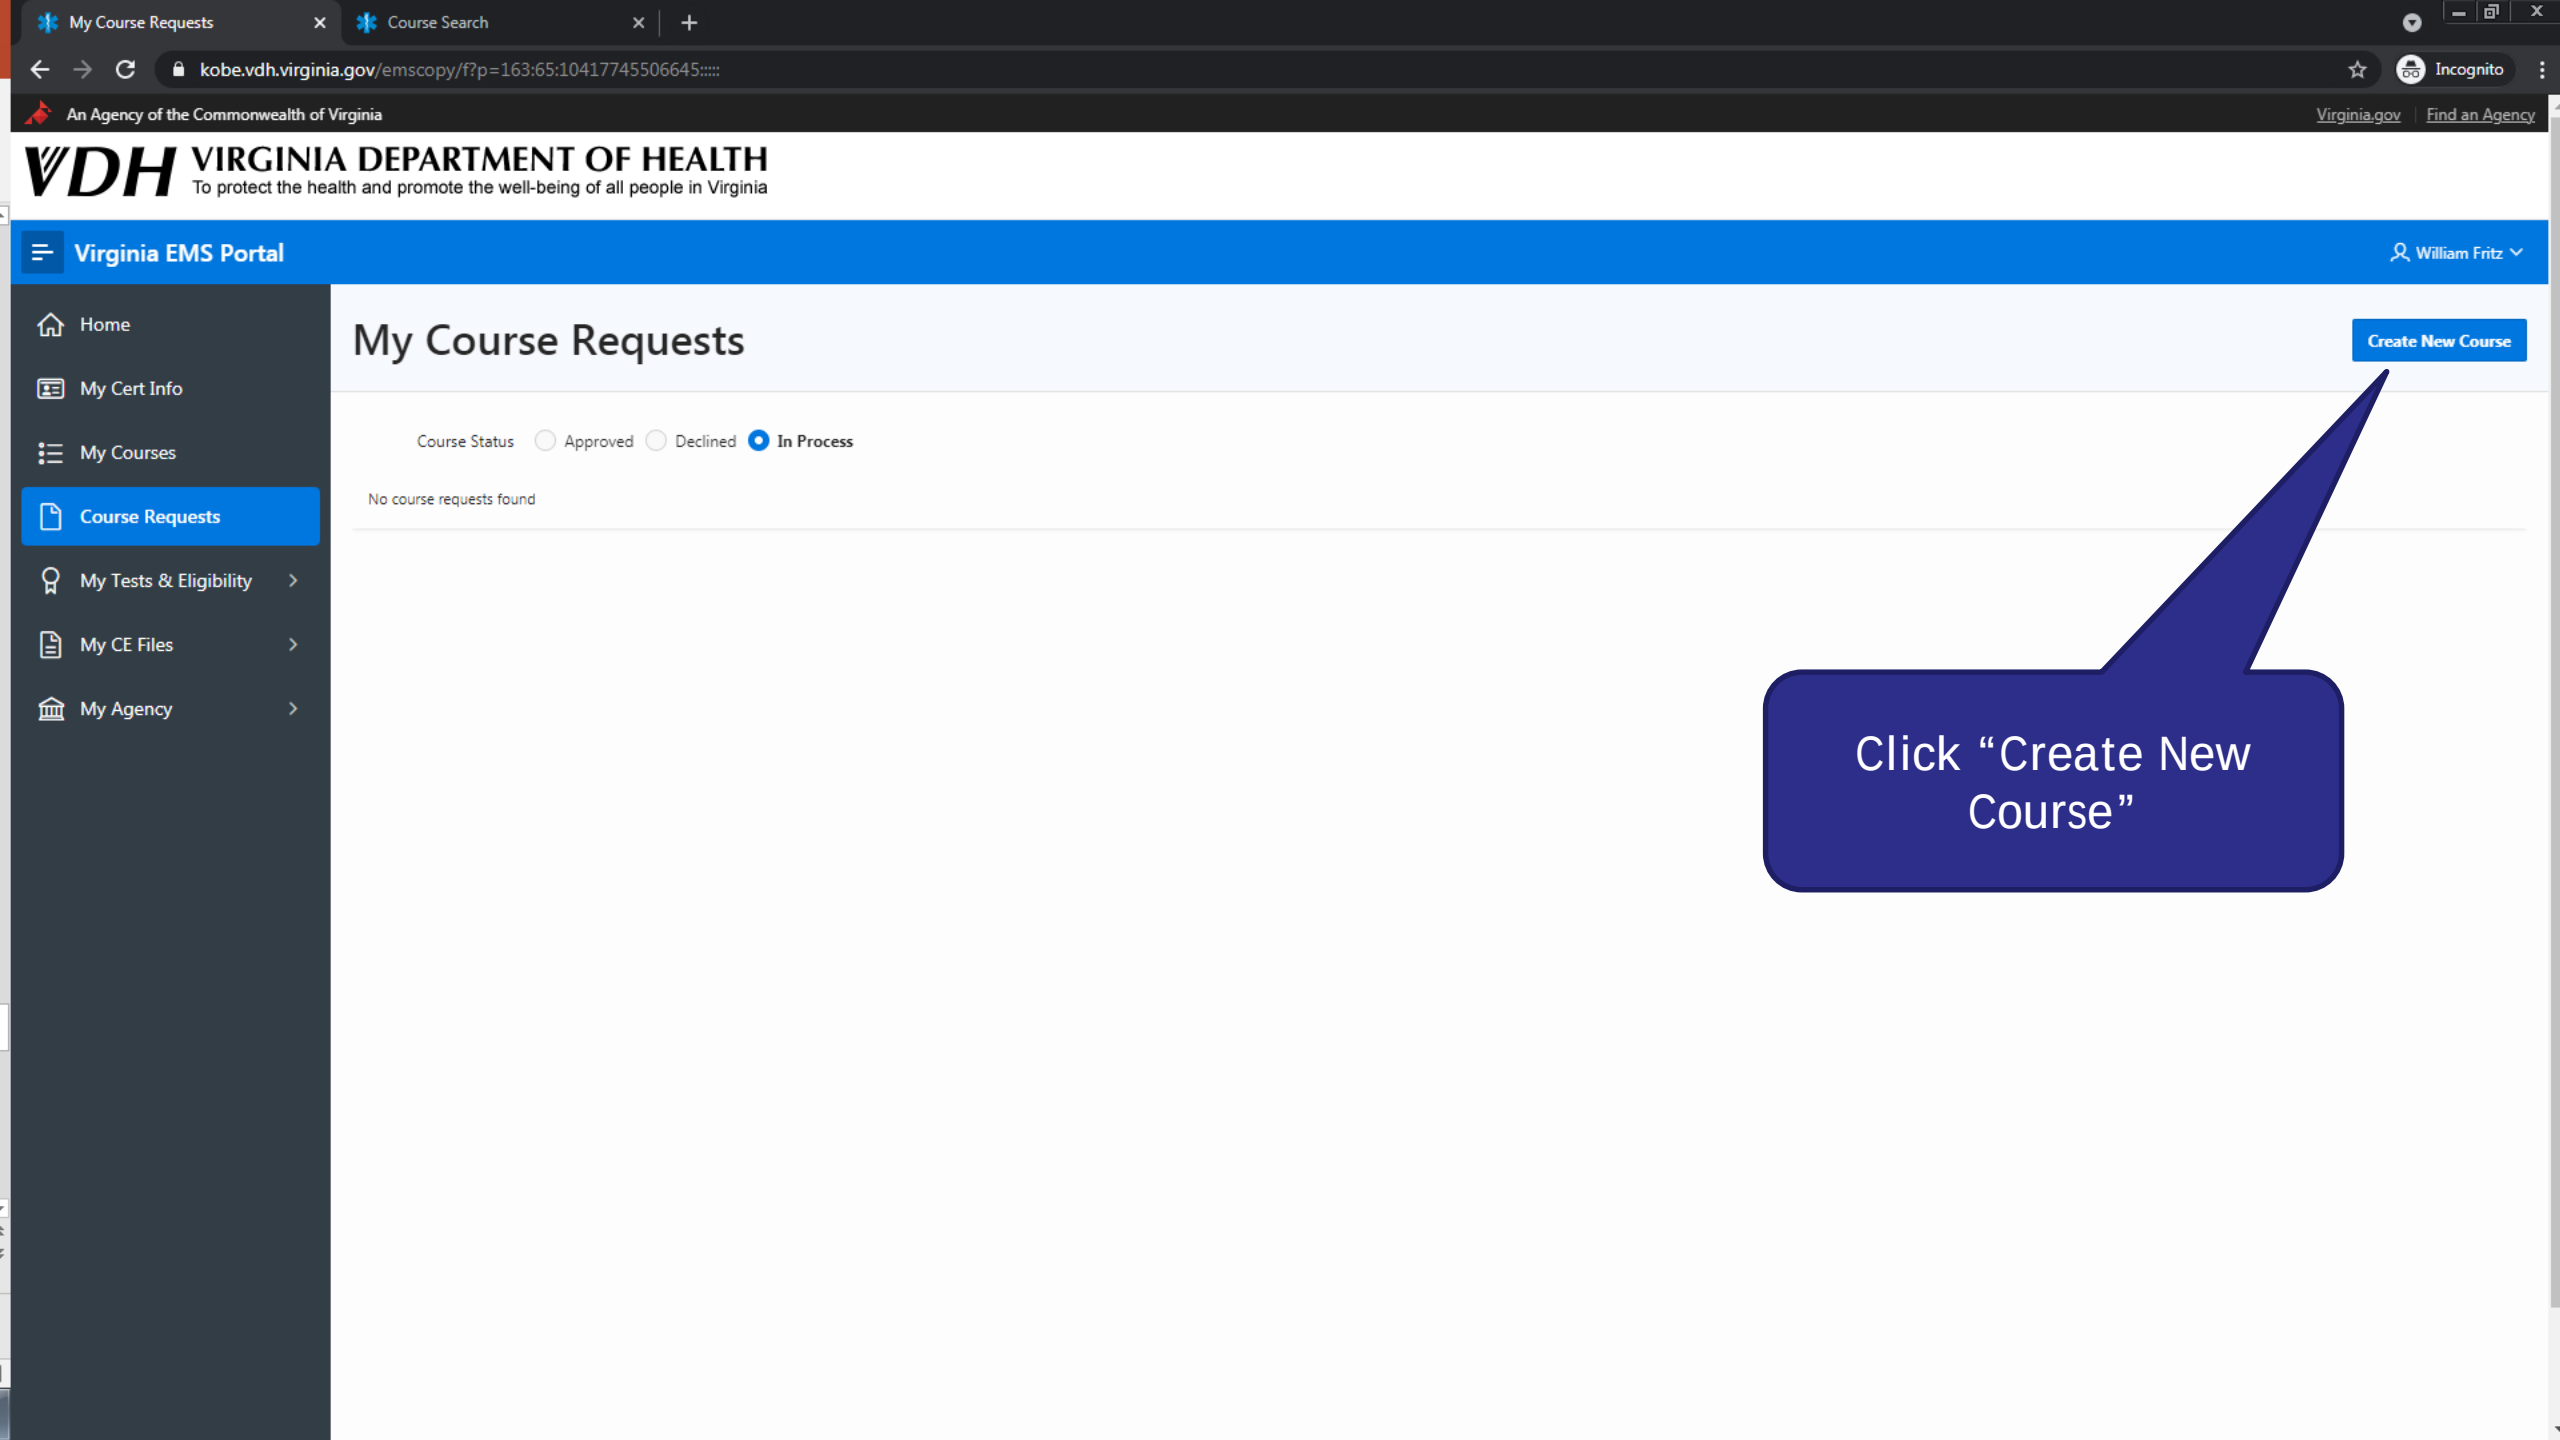

- forget to save a copy of their OEMS CE Report before recertifying; or
- do not keep their Virginia certification in sync with National Registry.

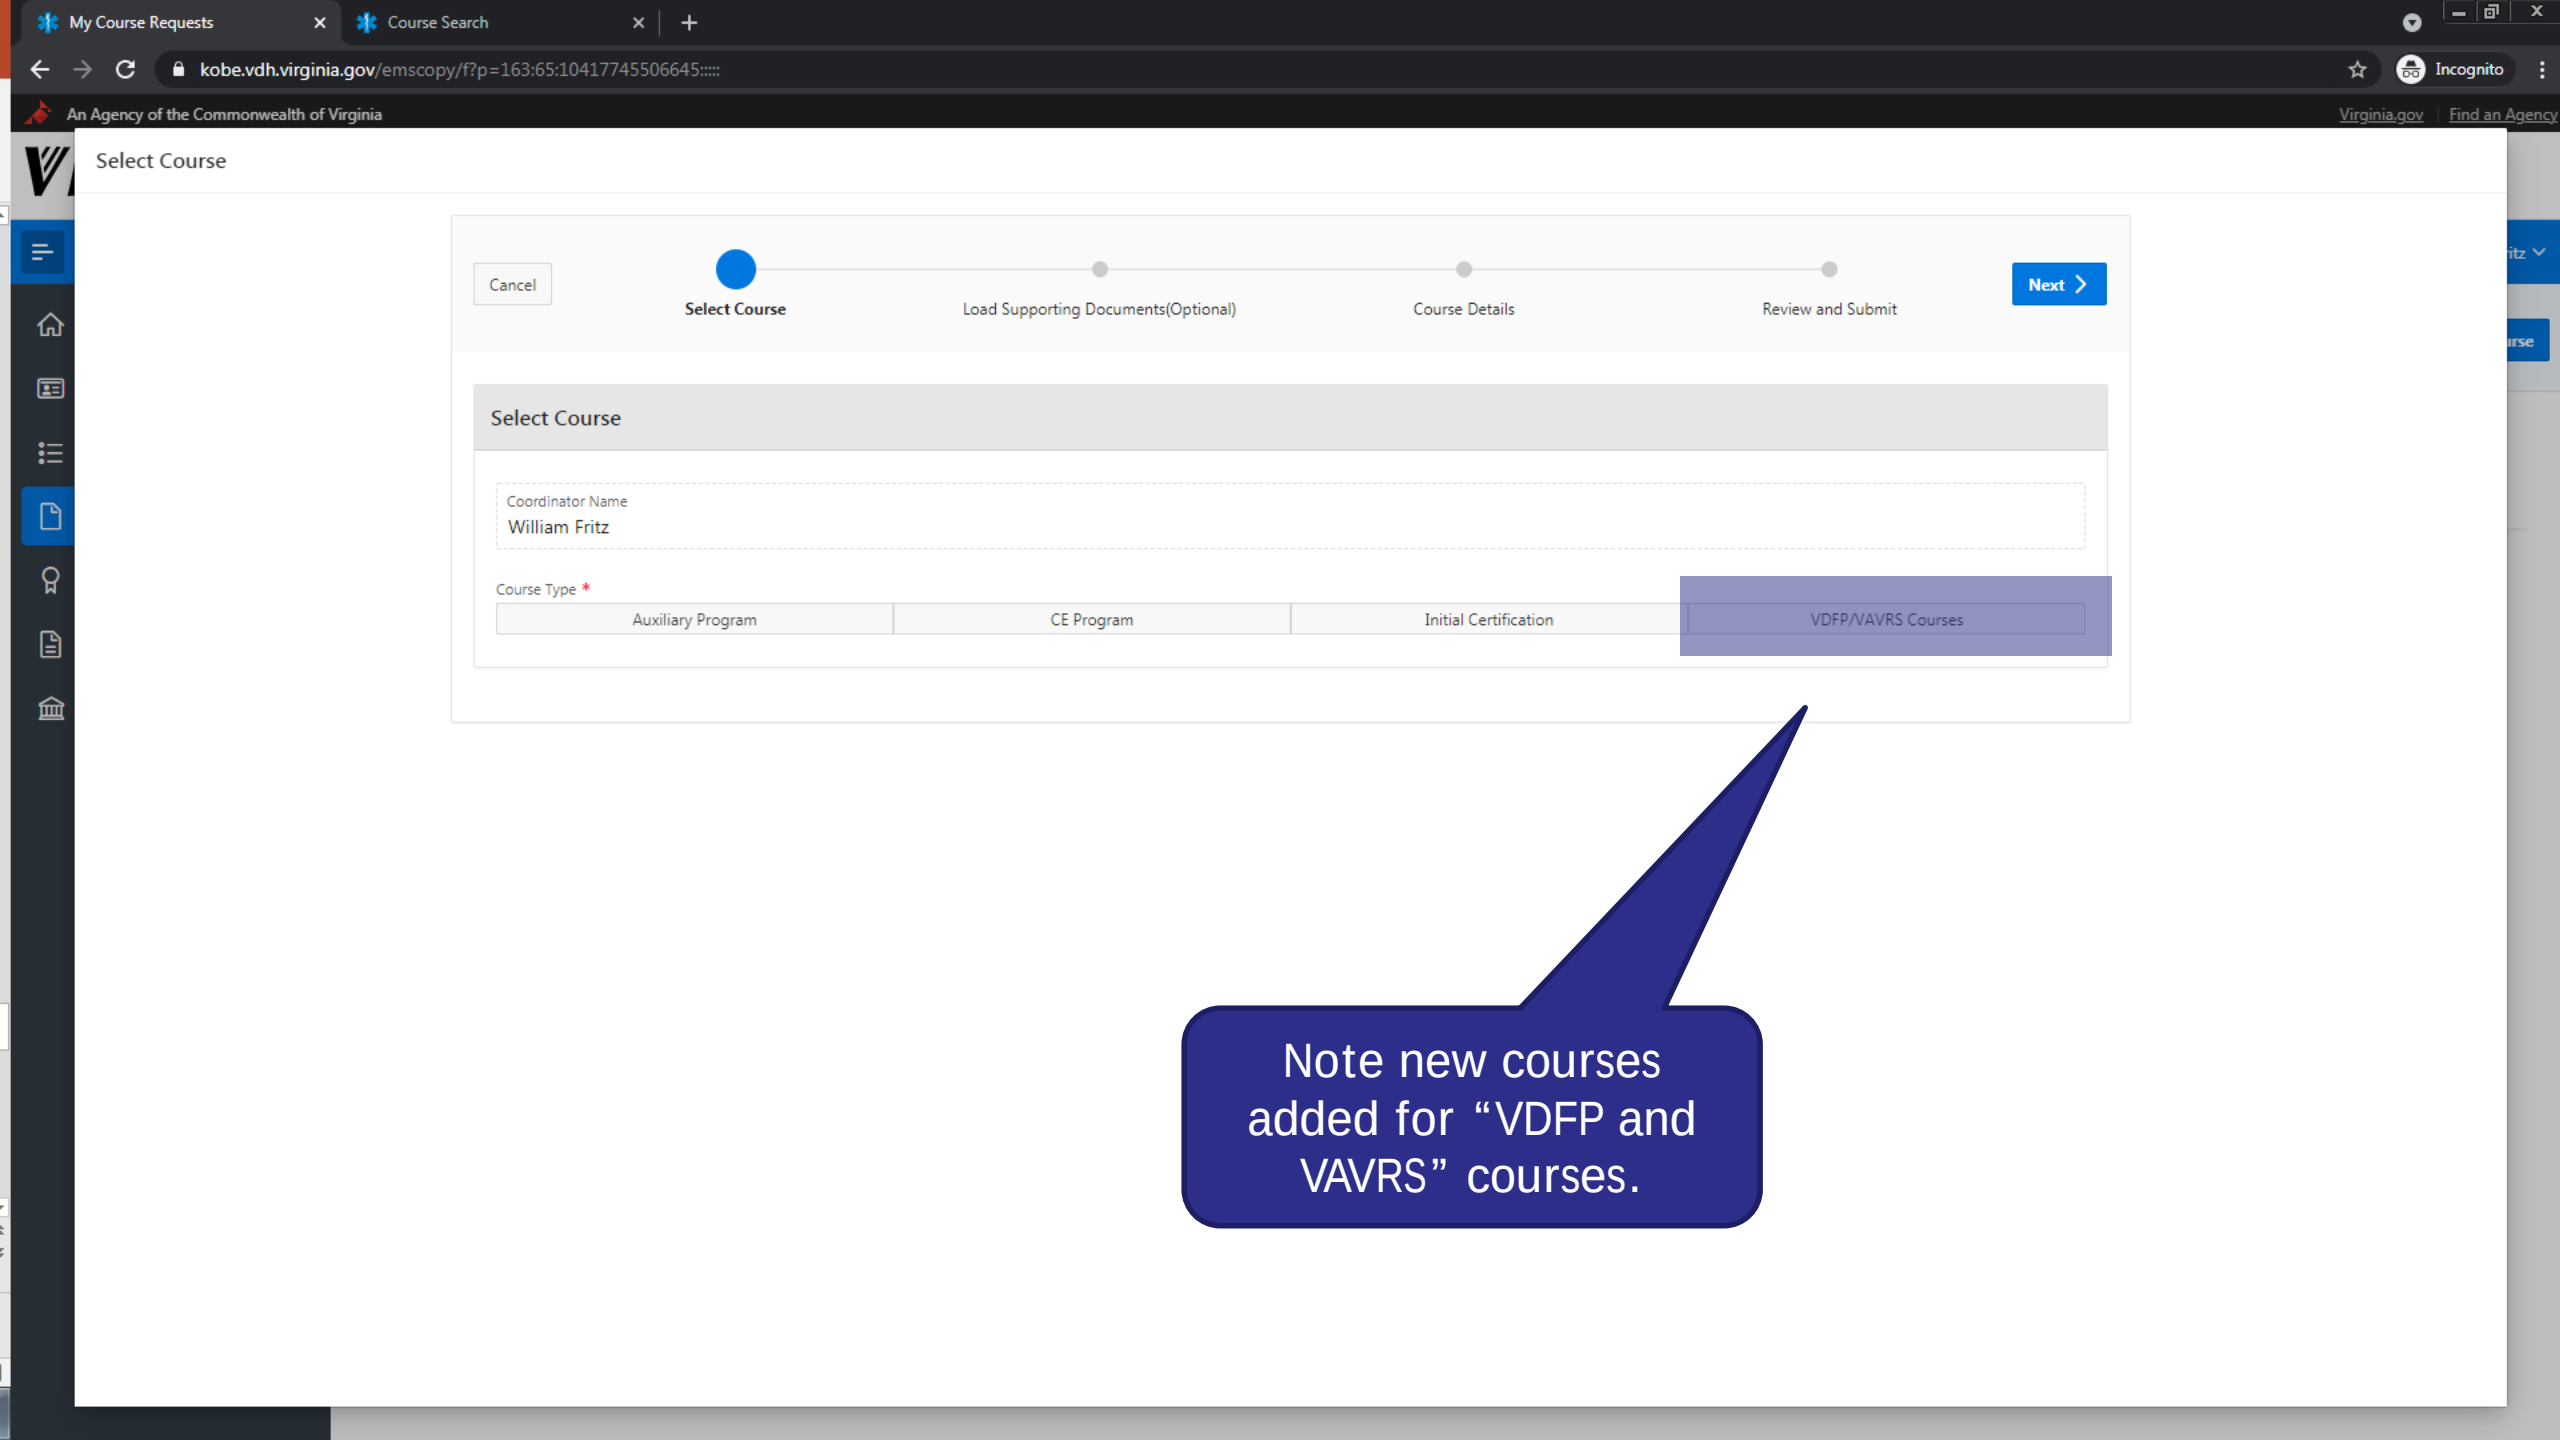

Providers will now be able to generate their active and/or inactive CE records by a date range of their choice.

[Email VDH Helpdesk](#)

If you are still having difficulty accessing the EMS Portal, please call the OEMS/VDH Help Desk at 804-888-9102.

The OEMS/VDH Help Desk is available Monday - Friday during normal business hours, except for state/federal holidays.

SPECIAL NOTICE:

If you are trying to schedule an appointment or have vaccination questions please use the vaccine help line. 877-VAX-INVA

EMS Provider Portal

Welcome to the Virginia EMS portal web site. As a reminder, your user ID is your Virginia EMS number. Your password is case sensitive.

If you are having trouble logging in, you can utilize one of the following to assist you:

1. Click on the [Reset Password](#) link under the [Sign In](#) button on the right. This will allow you to reset your password based upon your security questions. This is available Monday through Friday during normal business hours, except for state/federal holidays. You can also click on the right to send an email to the helpdesk.
2. Click on the [Forgot Password](#) link under the [Sign In](#) button on the right. This will allow you to reset your password based upon your security questions. This is available Monday through Friday during normal business hours, except for state/federal holidays. You can also click on the right to send an email to the helpdesk.
3. Click on the [Forgot Password](#) link under the [Sign In](#) button on the right. This will allow you to reset your password based upon your security questions. This is available Monday through Friday during normal business hours, except for state/federal holidays. You can also click on the right to send an email to the helpdesk.
4. Click on the [Forgot Password](#) link under the [Sign In](#) button on the right. This will allow you to reset your password based upon your security questions. This is available Monday through Friday during normal business hours, except for state/federal holidays. You can also click on the right to send an email to the helpdesk.
5. Check your CE.
6. Confirm your recertification eligibility.
7. Obtain your eligibility to test letter for access to Va. Consolidated Test Sites and National Registry psychomotor examinations.
8. Initiate affiliating with an EMS Agency.

You can also click on the right to send an email to the helpdesk. Through the portal you can:

If you have any suggestions for improving the Virginia EMS Portal, please email your suggestions to Chad Blosser at chad.blosser@vdh.virginia.gov.
