State EMS Advisory Board	
Stryker	

# Welcome to Symposium!

This is your guide to the EMS Symposium. Here you will find your course locations, hotel floor plans and hotel information, a guide to your favorite events, frequently asked questions and much more. Symposium is designed to allow you to obtain the necessary topics you need for recertification and to offer you workshops on new and innovative EMS subjects,

information and concepts. The Office of EMS (OEMS) wants your experience at Symposium to be enjoyable. The theme of "An Education for Life" is the primary focus, however, you must do your part. Please read the following, and if you have additional questions please feel free to ask any Symposium staff at the registration desk on the 3rd floor of the Marriott.

---

## Important Information & Policies

The quality of EMS education and your safety while attending the Virginia EMS Symposium are of utmost concern to OEMS. The following Symposium requirements will be strictly enforced:

- A photo identification may be requested of you when you register.
- Only one registration package per person will be allowed.
- You will not be allowed in a class without an official 2021 Symposium name badge. Your 2021 Symposium name badge must be worn at all times.
- No one will be admitted to a class once the class has begun and the doors are shut.
- Please be courteous to others – no babies or children are allowed in a class.
- Smoking is only allowed in designated areas.
- You must turn off your cell phones and pagers or set them on vibrate. Use of electronic devices for anything other than taking notes is strictly prohibited.
- Continuing Education (CE) for the 2021 Symposium will be recorded by scanning the barcode on your name badge. The CE will appear within 24 hours of attendance at the class. It's your responsibility to verify that your certification number appears when your barcode is scanned. Your patience when exiting the classroom while being scanned by one of our room hosts is greatly appreciated.

***Check the registration area on the 3<sup>rd</sup> floor of the Marriott or the VA EMS Symposium mobile app for the latest information and updates!***

## Class or Instructor Cancellation

Offering a conference with more than 300 courses over a five-day period is challenging. With such large numbers, the odds that a faculty member has an emergency, a change in their airline schedule or a last minute call to military duty may result in their inability to attend the Symposium as originally planned.

We have done our best to find the best replacements possible. The possibility always exists that we may have to cancel a class during Symposium due to unexpected circumstances. We hope you understand these unique situations and will work with us if there are any inconveniences.

## Please Remember...

- There are more than 1,300 individuals attending the Symposium. Classes, breaks and entertainment events will be crowded, however, careful planning by the Symposium staff and cooperation from you will allow everyone to fully participate in and enjoy Symposium. We need your help! All classes will be set with enough chairs to accommodate all registrants. Please fill in all rows, starting from the front, working from the ends of the row towards the center, and then filling in towards the back.
- There are limited refreshments during breaks, so please be courteous to others and take only one drink and one helping of food. Do not load up on food and/or take it to friends or family members back in your room. No food or drinks will be allowed in

the elevators or beyond the convention center.

- The Governor's EMS Awards ceremony will include banquet-style seating and a plated dinner will be served. Seating will be set for social distancing so please don't move chairs.
- Please review your entire course schedule and pre-locate your classes. Account for refreshment time and travel time in between classes or different locations. Be patient, courteous, friendly and out-going. The Virginia EMS Symposium can offer you the best opportunity you have as an EMS provider to network with other EMS providers from across the state and nation, and to learn about different EMS systems. Listen, learn and interact.

## Symposium Parking & Transportation

Free parking is available for Symposium registrants at Harbor Park baseball stadium. If you park at Harbor Park you must get a permit from the parking permit table on the 3rd floor in the Marriott. Parking at Harbor Park during Symposium will only be available in Lot D from Tuesday, Nov. 2 at 3:00 p.m. - Sunday, Nov. 7 at noon. A Symposium marked shuttle bus will make stops at Harbor

Park, the corner of Martins Lane and E. Main Street (for Marriott and Hilton hotels) and the Sheraton hotel.

The shuttle will run during the following hours:

Wednesday - Thursday: 6:15 a.m. - 11 p.m.  
Friday - Saturday: 6:15 a.m. - 1 a.m.  
Sunday: 6:15 a.m. - 2 p.m.

## Registration On-Site Check-In Times

The hours that on-site registration will be open during the 2021 Virginia EMS Symposium are as follows:

- Tuesday, Nov. 2, 3 p.m. - 9 p.m.
- Wednesday, Nov. 3, 7 a.m. - 5 p.m.
- Thursday, Nov. 4, 7 a.m. - 5 p.m.
- Friday, Nov. 5, 7 a.m. - 5 p.m.

## Frequently Asked Questions

1. Why are the classrooms so cold or hot? The temperatures in the rooms can vary. Please wear comfortable clothes in layers so you can easily adjust to the temperature. If the temperature in a room is extreme and the majority of people in the class are uncomfortable, ask your room host to see if the hotel can adjust it.

2. Can we have handouts for every class? Every instructor is asked to provide handouts, but some choose not to.

3. Why are there not enough chairs for the class? Classroom size and chairs are determined by the number of providers who **register** for each class. This is why people are not allowed to attend classes that they are not registered for.

4. Can we get discounted parking fees in the parking deck across from the hotel? The parking deck is regulated by the City of Norfolk which does not offer a discount. There is free parking available to attendees at the Harbor Park baseball stadium.

5. Why not hold the Virginia EMS Symposium in other locations? OEMS sought a Request for Proposals and bids from facilities and localities throughout the Commonwealth. Through this competitive negotiation process a contract through November 2021 was awarded to

the Norfolk Waterside Marriott Hotel and the Sheraton Norfolk Waterside Hotel.

6. I wanted to stay at the Marriott, but it was booked when I called. How can I avoid this? After the 2021 symposium has concluded, the OEMS will announce when the 2022 Virginia EMS Symposium room blocks will be available to participants. This will be announced at a later date, which is to be determined. Information will be shared on the OEMS website, social media and via email. Please do not book more rooms than needed, as rooms are limited and sell out quickly.

7. How are speakers and topics selected? The Symposium has a Program Committee consisting of various members representing the EMS system. The Committee selects speakers who are recognized for their presentation and speaking ability. These often come from your evaluations. If you have a topic and speaker you would like at a future Symposium, please mention it in your Symposium evaluation or contact a member of the Symposium Program Committee.

## Annual Governor's EMS Awards Ceremony and Banquet

Saturday, Nov. 6 at 6:45 p.m., doors open at 6:15 p.m.  
Norfolk Ballroom, 1st floor, Marriott

On Saturday, Nov. 6, join us in celebrating the Commonwealth's 2021 Governor's EMS Award presentation, featuring Keynote Speaker Steve Berry. We'll have

the presentation of the awards, followed by the EMS Memorial tribute and motivational speaker. The program runs from 6:45 - 9 p.m.

Please note, seating will be limited and placed to accommodate social distancing. Please do not move seats.

# COVID-19 Safety Guidelines

Our goal is to host this event in the safest way possible by following the Centers for Disease Control and Prevention and state guidelines. Your adherence to the guidelines listed below is critical for the safety and success of this event.

**• Proof of vaccination status OR a negative COVID-19 test result is required to attend this event.**

Please be prepared to submit your COVID-19 vaccination card OR proof of a negative COVID-19 test that has been taken no more than ten (10) days before the start of this event date (Nov. 3, 2021.) This will be required for all registrants and vendors to attend. Anyone who is unable to provide this information will have their symposium registration cancelled.

**• Masks are required to be worn by all event participants for the duration of this event.** This includes all indoor spaces, classrooms, vendor hall, during special events and in any common areas, unless it is a designated eating area.

Masks shall be worn properly, to completely cover the nose and mouth.

If you do not have a mask, one will be provided to you at symposium registration check in on the third floor of the Marriott hotel. Hand sanitizer will also be provided at check in for your use.

If you refuse to wear your mask you will be asked to leave and your symposium registration will be revoked.

**• All event attendees must maintain social distance when in the classroom, vendor hall, during special events and in common areas of the symposium event space,** which includes all three hotels that are hosting this event (the Marriott, Hilton and Sheraton.)

Gathering in groups is strictly prohibited. There will be designated areas that are set for social distancing where attendees can eat breakfast and snack items; but eating, gathering and socializing in undesignated areas will be strictly prohibited for the safety of our attendees.

In designated eating areas, tables will be spaced out and seating will be limited. We will be working closely with the hotel facilities to ensure these safety measures are in place.

**• Classroom seating will be set up to accommodate social distancing and the exact number of attendees registered.** Please do not attend any classes you have not signed up for.

If you need assistance with your schedule, please visit the third floor registration desk in the Marriott hotel.

Please do not move or add any chairs in the classrooms as they have been spaced to provide social distancing. Everyone must be seated in a chair and standing will be prohibited.

Any attendee who disregards these safety guidelines will be asked to leave and their symposium registration will be revoked.

## **Wednesday, November 3**

**7:30 a.m. - 5:30 p.m.**

MED-853 Day 1	FPC Review Course	Monticello, 1st Floor, Sheraton

# Hotel Floor Maps

## The Norfolk Waterside Marriott

Please refer to your courses and make sure you know their location prior to leaving for class. The main hotel for this event is the Marriott, however, some courses have been placed in the Hilton and Sheraton hotels. The Sheraton Hotel is located adjacent to the Waterside District and the Hilton Hotel is located directly across the street from the Marriott's main entrance.

You can exit the Marriott on the 2nd floor and follow the signs through the parking deck to the Sheraton, one block away. Check the 3rd floor registration area every morning in case there are any room changes.

## The Sheraton Norfolk Waterside

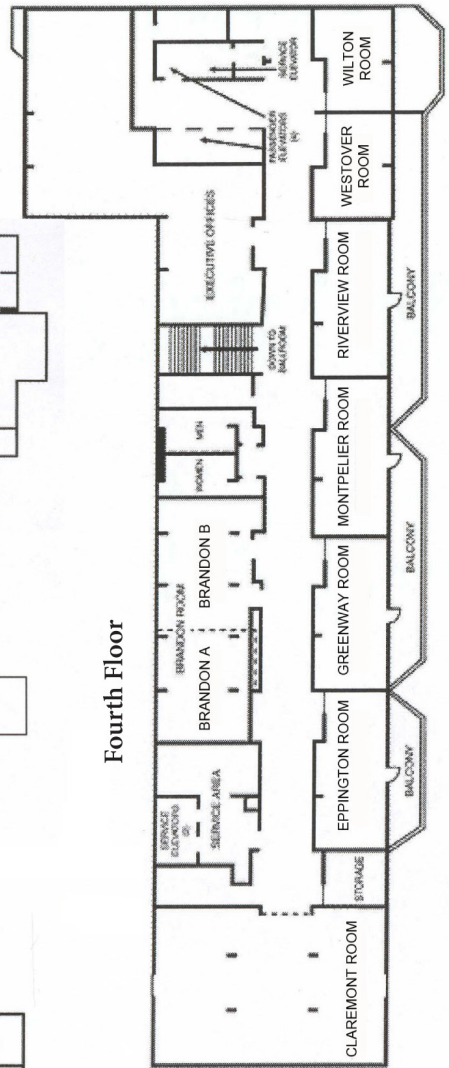

**First Floor**  
Lobby Level

**Third Floor**

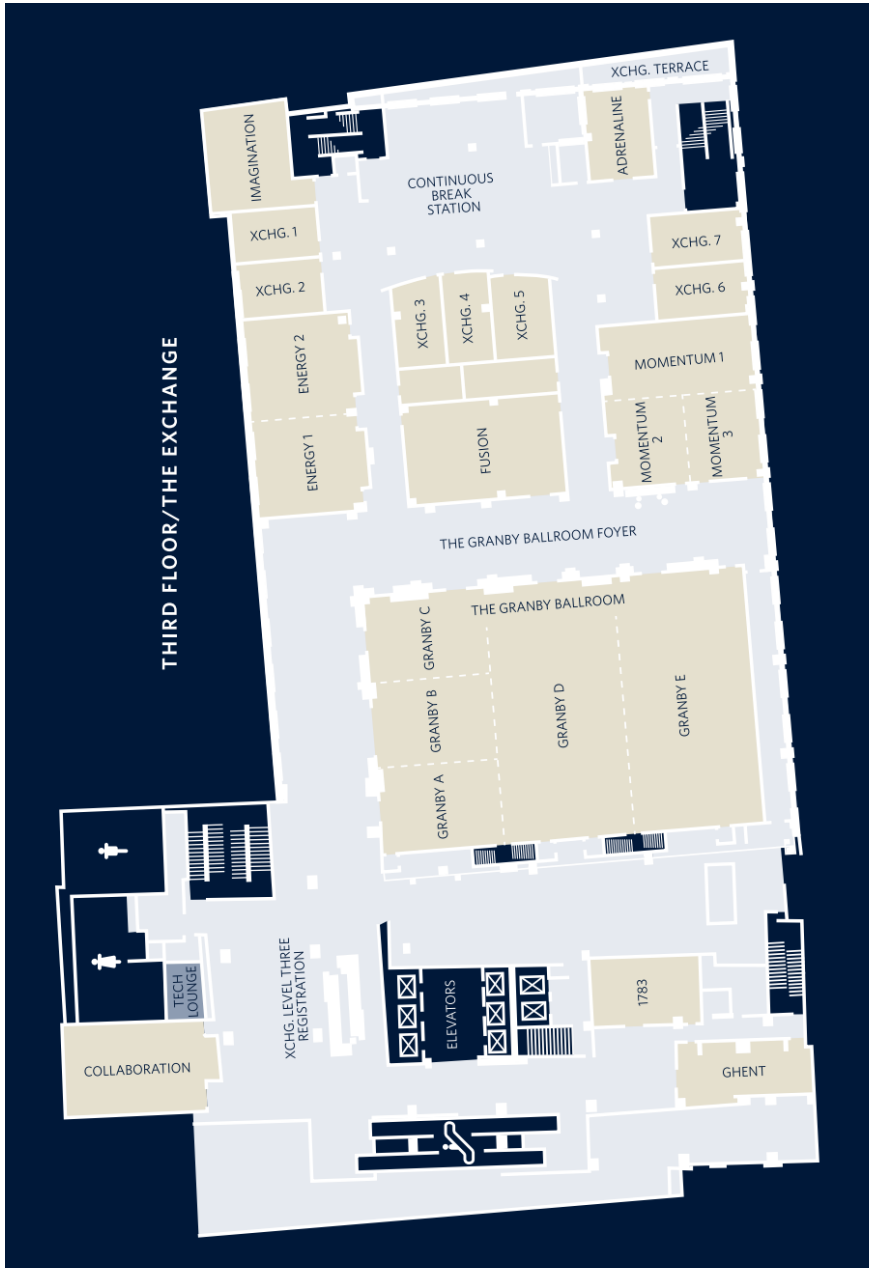

**Fourth Floor**

# Hotel Floor Maps

## Hilton Norfolk The Main

All classes at the Hilton will be located on the Third Floor of the hotel. This hotel is located directly across the street from the Marriott hotel's main entrance. The address of the Hilton is 100 E Main St, Norfolk, VA 23510.

# Virginia EMS Symposium Mobile App Available on Apple and Android

Download the Virginia EMS Symposium mobile app to stay updated during this five-day training event. Android and Apple users can download the free mobile app named, “**VA EMS Symposium**”. The app replicates the Virginia EMS Symposium On-Site Guide, so you’ll have everything you need to know, on the go!

For quick mobile app access, you can scan the QR codes below.

Registrants can access their personalized class schedule when they log in to the app. When signing in, apply the same user name as used for the symposium registration. For Virginia providers, use your Virginia EMS number. Registrants can use the same password as used for symposium registration

(Virginia provider portal password) or, registrants can use their birthdate and year combination PIN (DDYY). Example: The registrant's birthdate is March **05**, 19**72**; their PIN would be 0572.

Let's get started! Download the app by opening the Google Play or Apple App Store and search for the “**VA EMS Symposium**” app. Once you download the app a star of life icon will appear on your homescreen. Click on that icon to access the app anytime. If you're having trouble downloading the app, you can utilize the web app at this link: <https://vdhems.vdh.virginia.gov/emsapps/symposiummobile.html>. **For more assistance with the app, please visit the registration desk, 3rd floor, Marriott.**
