Topic/Subject	Discussion	Recommendations, Action/Follow-up; Responsible Person
I. Welcome	Deborah Akers called the meeting to order at 10:37 a.m. and indicated that due to the Advisory Board not naming a Committee Chair, she will be filling in until one is appointed.	
II. Introductions	Everyone around the room introduced themselves.	
III. Approval of Agenda	The Committee reviewed the agenda for today’s meeting. (Attached)	Approved by consensus
IV. Approval of the October 4, 2023 minutes	The committee approved the minutes as submitted. (Attached)	Approved by consensus
V. Reports of Committee Members	A. Reports of Committee Members <ol style="list-style-type: none"> 1. Chair Report – VACANT – No report. 2. Medical Direction Committee – Dr. George Lindbeck – Nothing to report. 3. Committee Members: <ol style="list-style-type: none"> a. Non-VCCS EMS Program – Regina McHaffa – No report. 	

Topic/Subject	Discussion	Recommendations, Action/Follow-up; Responsible Person
	<p>b. VCCS – Bill Akers – VCCS program is working through a curriculum change to match the new EMS education standards and hopes to be ready for the Fall of 2024.</p> <p>c. VAVRS – Kathy Eubank – There will be a training event January 27. The September Conference for VAVRS will be in Virginia Beach and training will be the main focus of the entire event.</p> <p>d. Regional EMS Council Executive Directors – Peppy Winchel – Tidewater Healthcare Expo is May 14 – 19. TJEMS collaborated with UVA STAR and was awarded a grant from DOD for Autism training starting in September and will be rolling out an Autism Response protocol to first responders.</p> <p>e. EMSC – Mike Watkins – EMSC met on November 16, and the committee continues to discuss pediatric safe transport and other pediatric measures.</p> <p>f. VAGEMSA – Larry Oliver – No report.</p> <p>g. Fire Based Organization – Christopher Kroboth – No report.</p> <p>h. Educators – Brian McIntosh – No report.</p> <p>i. EMS Advisory Board – Matt Lawler – No report.</p> <p>j. EMS Advisory Board - Marlon Rickman – No report.</p> <p>k. Medical Direction Committee – Charles Lane – No report.</p> <p>B. Office of Emergency Medical Services</p> <p>1. Division of Accreditation, Certification & Education (ACE)</p> <p>a. ACE Division Director – Debbie Akers</p> <p>i. Cam Crittenden could not be here today as she is in a meeting downtown. She asked Debbie to share some information from the Office of EMS. The Governor has decided to give the surplus of \$8 million to the Office. Those funds will pay Return to Locality and the grants that have been awarded. Additionally, for the next two fiscal cycles \$12.5 million will be allocated to the Office. This has to go through legislature. Fitch & Associates has been brought on via a Workforce Development grant by the Department of Health. They will do a six-month survey and make recommendations for OEMS.</p> <p>ii. The Accreditation report has been distributed and one new program has been added which is Spotsylvania County.</p> <p>iii. National Registry Testing – Scoring is substantially delayed. QA/QI contractors were released from the office due to the budget crisis. We cannot return to the old psychomotor testing, so please get medical directors involved in this process. We are working on a flow sheet to assist with this. Bill Akers shouted out Crystal Cuffley who responds quickly to requests from the help desk. Two other employees, Barry Reeves and Sayed Sadaat will also be assisting with help desk requests. Crystal is in the process of training them.</p> <p>iv. NCCR requirements – A workgroup needs to urgently be established to review this. A proposal needs to be made from this committee. Brian McIntosh made a proposal to review the NCCR requirements. Brian, Jeff, and Daniel will participate in the workgroup.</p>	<p>An NCCR Requirements Workgroup was established.</p>

Topic/Subject	Discussion	Recommendations, Action/Follow-up; Responsible Person
	<p>Ultimately, we need to look at the Virginia CE program per Debbie. The goal is to have this completed by July to go before the Advisory Board in August.</p> <p>b. Education Program Manager – Chad Blosser</p> <ul style="list-style-type: none"> i. The Virginia EMS Scholarship program has approved \$878,500 million for EMS education. There is \$44,000 awaiting approval and the remaining balance is \$378,000 for remainder of the year. Payments continue to be delayed; no payments have been made since the middle of September since the financial crisis. This may change within the next couple of weeks. ii. There are 765 Education Coordinators in the system (two more than last meeting). An Institute is scheduled in Leesburg in three weeks. There are currently 30 new EC candidates that are registered. The list of EC updates is published on the OEMS website. <p>2. State Medical Director – Dr. George Lindbeck – No report.</p> <p>3. EMS for Children – David Edwards – Not present. Mike Watkins reminded everyone that the Trauma Triage guidelines were updated in the past year so training may need to be done on that.</p> <p>4. Regulation & Compliance – Ron Passmore - Not present.</p> <p>5. Director/Asst. Director – Scott Winston – Not present.</p> <p>6. EMS System Funding – Micheal Berg, Mike reported that this division is being renamed EMS System Funding. As Debbie reported earlier, money has been allocated for the Return to Locality payments and they should receive payment by the end of January. Grants that have been awarded in the past are still being awarded. If you hear that the grant program is gone, that is not true. Payments have been very slow, but grants will be awarded. The e-Gift program has changed. The financial page has been revised and will require the attachment of one of three most recent documents: Form 990, Financial Audit, or Profit/Loss Statement. We are working with the Transportation Committee to create an evaluation tool for ambulance requests. The next FARC meeting is February 1 and Transportation Committee meets on January 22.</p> <p>7. Central Shenandoah Hybrid Office - Daniel Linkins - Daniel reported that the Shenandoah Valley EMS Expo will be held March 16 and 17, 2024 and registration will be open in the next couple of weeks. The cost is \$35. If grants, are needed there are funding sources available. Please reach out to the EMS Councils.</p> <p>8. Rappahannock Hybrid Office - Wayne Perry – Wayne reported that an OMD Workshop will be held February 21 at the REMS office from 10 a.m. – 3 p.m.</p> <p>9. Blue Ridge Hybrid Office - Jeffrey Reynolds – Jeff reported that they were pleased to host the Education Coordinator Institute in June of this year.</p>	
<p>VI. Committee Discussion Items</p>	<p>A. AEMT SMC – This document (approved last meeting) does not define a minimum or maximum number of clinical and/or field hours. – Debbie Akers this issue and some committee members voiced concerns and did not want to specify hours. After There much discussion, Brian McIntosh made a motion to recommend a minimum of 24 hours in a clinical setting and 12 hours in the field/internship setting for a total of 36 hours. The motion was seconded by Peppy Winchel. There was continued discussion of the motion. Friendly addendum: Better define clinical settings as</p>	<p>Unanimously Approved</p>

Topic/Subject	Discussion	Recommendations, Action/Follow-up; Responsible Person
	<p>a hospital, ED, free standing ED, peds clinic, free clinic, etc. A vote on the motion was held. All committee members were in favor of the motion. The motion carried. This will be moved to the Medical Direction tomorrow.</p> <p>B. Previous Business</p> <p>1. EMT Programs in High Schools Workgroup – Update from meeting with Workforce Development Committee. – Chad Blosser Chad attended the last Workforce Development committee in November and asked their feedback on this. The committee indicated that it was important for us to focus on this since there is a deficit in providers. Chad will reach out again to the Department of Education (DOE). Does this group want to still move forward with this? Mike Watkins stated that we really need guidance from DOE to the school districts. Can we tap into the Nursing programs to find out how they were able to get it done so quickly? The committee continued the discussion.</p> <p>2. Apprenticeship Workgroup Update – Peppy Winchel Peppy reported that the Institute for Advanced Learning and Research received labor funding to enhance labor apprenticeship in Virginia. He has information to share with the committee on Apprenticeship 101, Apprenticeship vs. Internship, and FAQs. Is there a way to share this with the committee other than email? Chad can create a webpage to share the documents with everyone. Peppy will invite the representative from the Institute for Advanced Learning and Research to the next workgroup meeting.</p>

	<ul style="list-style-type: none"> b. VCCS – Bill Akers – VCCS program directors met in Richmond the last two days. They worked on the curriculum to bring it up to date and synchronize with the 2021 NEMSES. They have a good work product to send up the chain through VCCS to have available for implementation fall of 2024. c. VAVRS – Bobby Lester – No report. d. Regional EMS Council Executive Directors – Peppy Winchel – The regional councils are working on identifying additional CEs for providers for the next calendar year. He gave dates and locations of Fall 2023 and Spring 2024 Expos at the regional level. e. EMSC – Mike Watkins – EMSC met in August and discussed Pediatric Emergency Care Coordinators in both the ER and the EMS agency level. There was a live demonstration of two ambulatory pediatric transport devices. Two stretchers were brought in and two children were there for the demonstration. The device provided by OEMS was deemed difficult to use and not appropriate as it did not accurately secure the children. Looking at other options. f. VAGEMSA – Larry Oliver – No report. g. We have \$164,000 in payments that are waiting for approval by the Office and an additional \$737,000 available for the remainder of the fiscal year. Payments are currently delayed. ii. Education Coordinator Candidate Program – An Institute was held in Virginia Beach last week. We have 30 new educators, and we continue to receive excellent candidates via the mentorship program. The Education Coordinator Institutes and Updates are published on the OEMS website. iii. Other – Committee position vacancies will be coming up soon: VAVRS, Regional Council, Non-VCCS Accredited Programs, and VCCS Accredited Programs, and Education Coordinator. Surveys will be sent out for nominations. b. ACE Division Director – Debbie Akers, OEMS – <ul style="list-style-type: none"> i. Accreditation – The Psychomotor Exam will be retired earlier than what was previously announced by the National Registry. Debbie is waiting on official letter. ii. National Registry Updates – QA/QI visits continue to take place. Detailed information will be available at the January meeting of the statistics. Course approvals will be done by Debbie since Tracie Jones’ retirement, and she needs more notice. Training Opportunities – Everyone is aware that symposium was canceled. Please send Debbie all training courses to be listed on

VI. Committee Discussion Items		
VII. Previous Business	<ol style="list-style-type: none"> A. EMT Programs in the High Schools Workgroup – Delayed due to a lack of participation on the part of the Department of Education. Jeff Reynolds got another job at BREMS. The committee discussed whether or not DOE should be involved, and they agreed that they should. There was discussion about continuing to develop best practices and to standardize the program. OEMS has a proposal that was presented to DOE previously. 	
VIII. New Business	<ol style="list-style-type: none"> A. Apprenticeship Workgroup Update There was no update on the structure or existing apprenticeship program. There is also a shadow program being used by Richmond Ambulance Authority. More information at the next meeting. B. OEMS Funding for Scholarship and Training Everything is the same as the email that was submitted except the scholarship went from \$2 million per year to \$1.5 million due to the OEMS budget deficit. Funds will be shifted to pay for the National Registry testing attempts. We will continue to monitor this during the ongoing audit.

EMS Scholarship Program

Virginia EMS Scholarship Program

First Quarter Report

Virginia Department of Health

Office of Emergency Medical Services | October 2023

DRAFT

Background

The Virginia EMS Scholarship Program is managed by the Virginia Office of Emergency Medical Services providing scholarship awards to current Virginia EMS Providers and those seeking to become EMS providers in the Commonwealth.

The scholarship program supports students who are accepted into an eligible Virginia approved initial certification program—EMR, EMT, Advanced EMT and Paramedic.

The scholarship program is not designed to provide 100% funding for a training program.

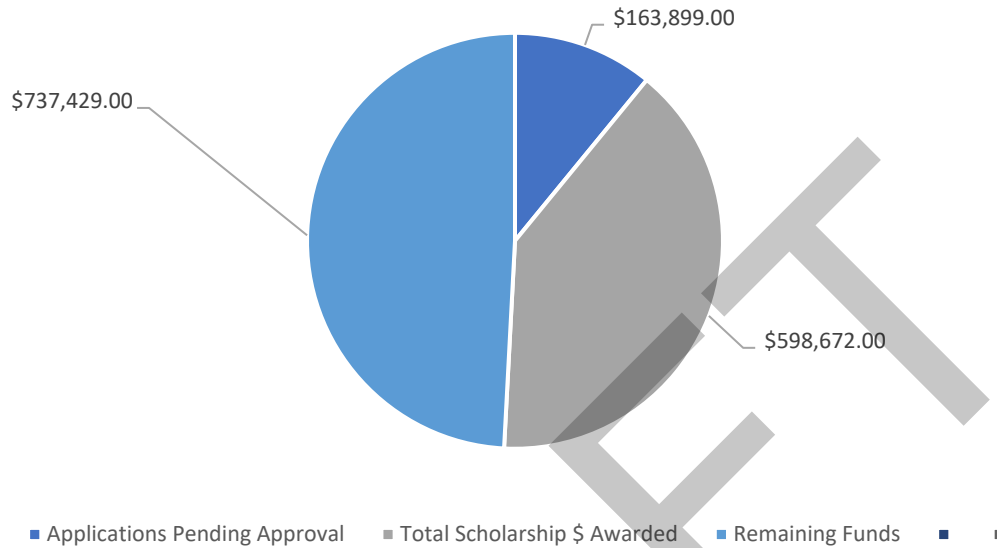

FY21 Scholarship Budget

The FY24 budget for the Virginia EMS Scholarship Program is \$1,500,000.00. The following chart shows a breakdown of funding based on three (3) categories:

- 1) Applications Pending Approval
- 2) Total Scholarship \$ Awarded
- 3) Remaining Funds

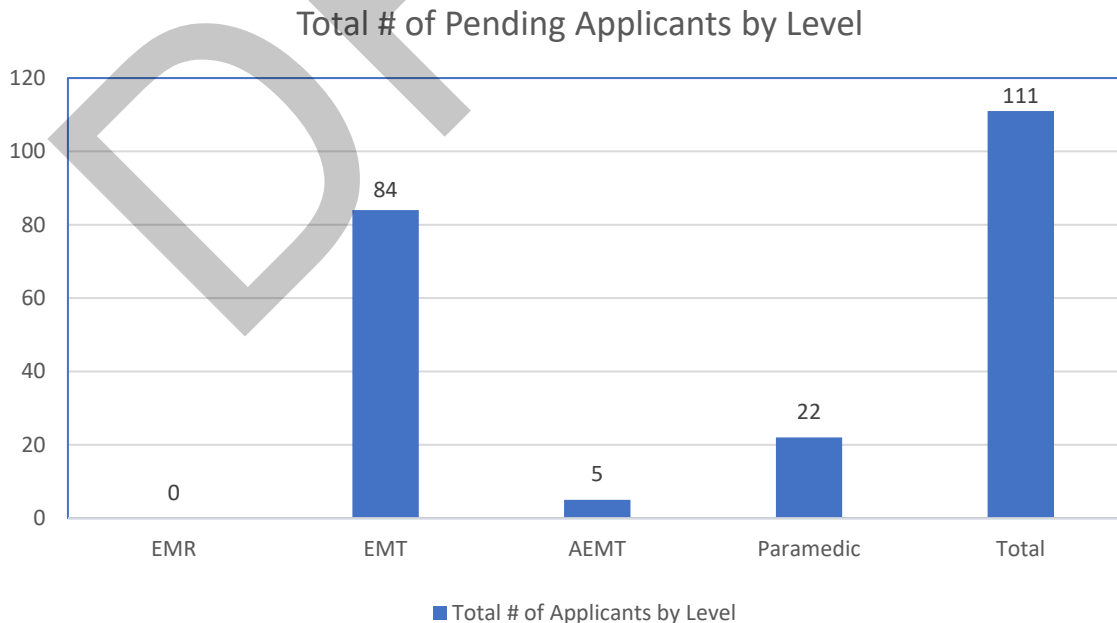

- **Application Pending Approval** – this category includes the total dollar value for all applications received through September 30, 2023. This covers Q1.
- **Total Scholarship \$ Awarded** – this category is the total dollar value for all scholarship applications which have been approved and are in the process of being paid. Since the Virginia EMS Scholarship module is new, OEMS staff have only approved a small group of test applications as we work through the payment processes with the VDH Office of Financial Management.
- **Remaining Funds** – this category is the total dollar value of funds remaining in the scholarship program and available for to students for the remainder of the fiscal year.

Scholarship Funding Overview

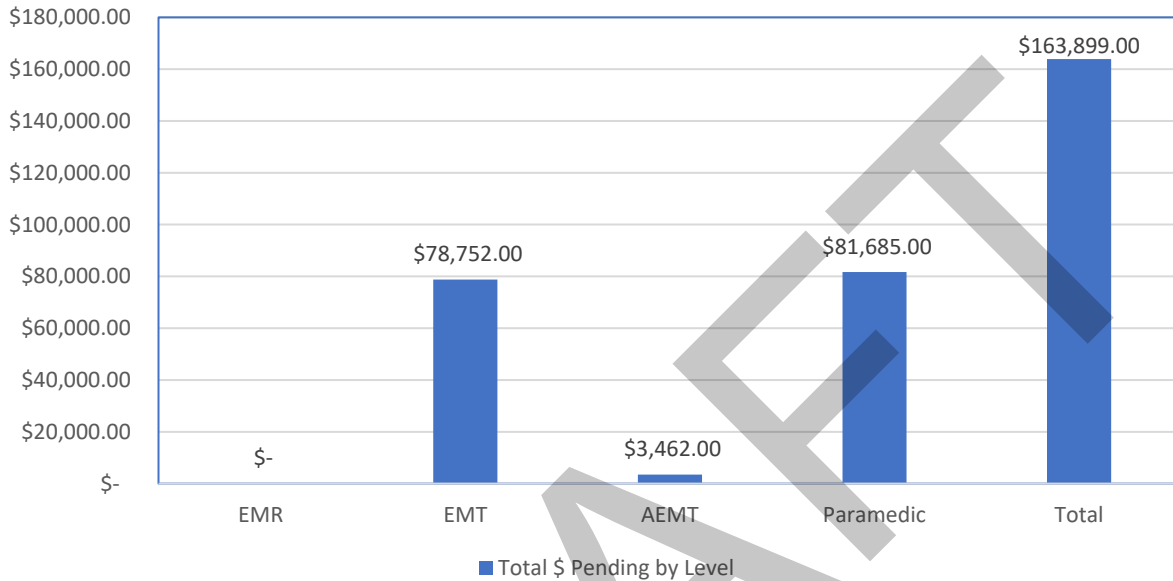

Breakdown of Pending Applications

The following chart show of pending scholarship applications by training level. This includes all pending applications for students enrolled in eligible initial certification courses from June 1, 2023 through September 30, 2023.

Virginia EMS Scholarship Report

Virginia EMS Scholarship Program

Second Quarter Report

Virginia Department of Health

Office of Emergency Medical Services | January 2024

DRAFT

Background

The Virginia EMS Scholarship Program is managed by the Virginia Office of Emergency Medical Services providing scholarship awards to current Virginia EMS Providers and those seeking to become EMS providers in the Commonwealth.

The scholarship program supports students who are accepted into an eligible Virginia approved initial certification program—EMR, EMT, Advanced EMT and Paramedic.

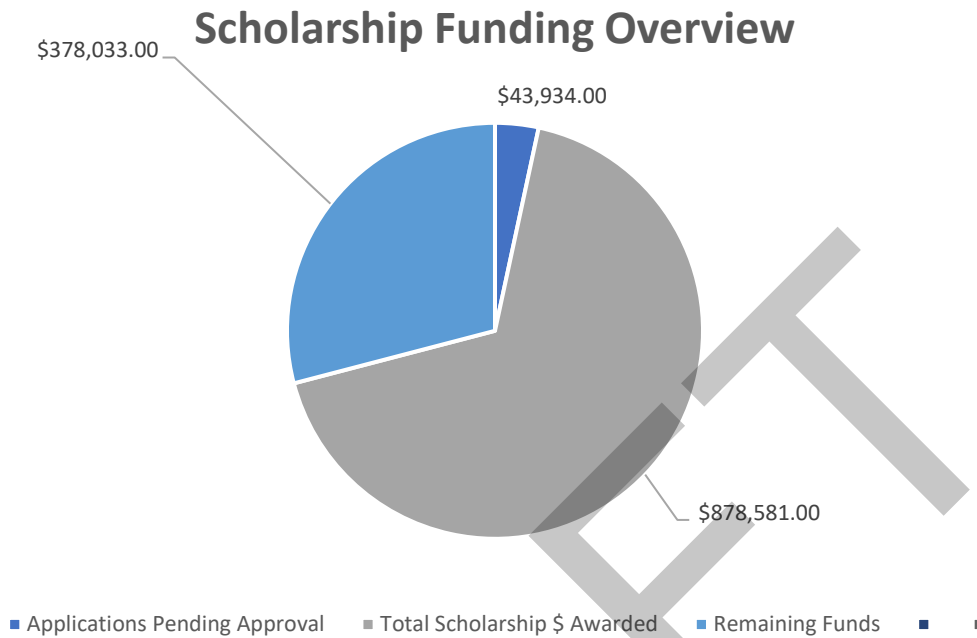

The scholarship program is not designed to provide 100% funding for a training program.

FY24 Scholarship Budget

The FY24 budget for the Virginia EMS Scholarship Program is \$1,300,000.00. The following chart shows a breakdown of funding based on three (3) categories:

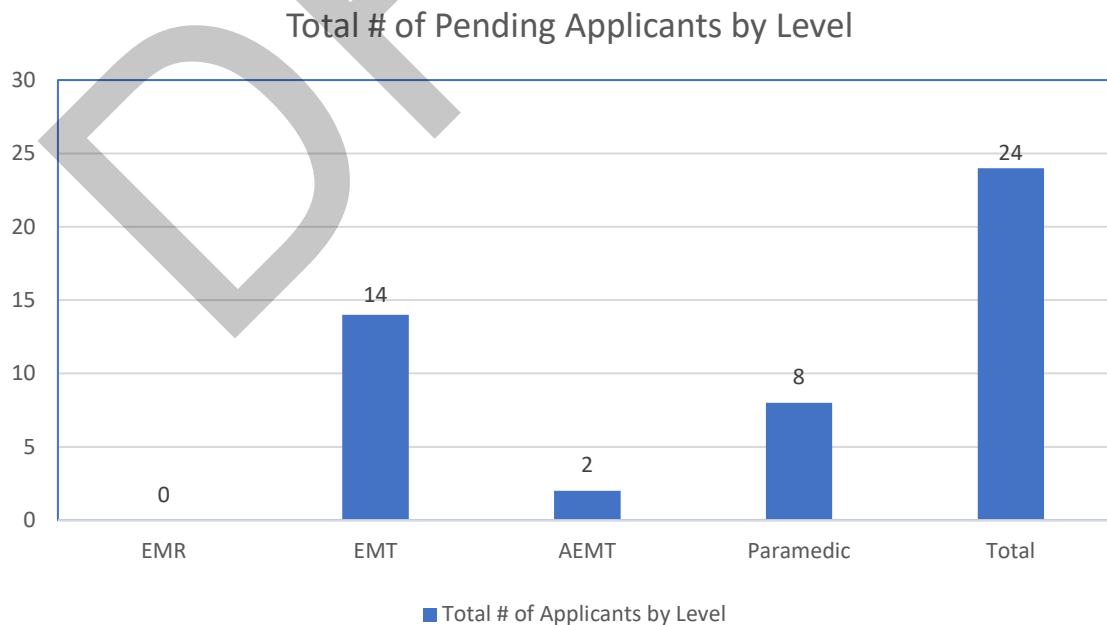

- 1) Applications Pending Approval
- 2) Total Scholarship \$ Awarded
- 3) Remaining Funds

- **Application Pending Approval** – this category includes the total dollar value for all applications received through December 31, 2023. This covers Q2.
- **Total Scholarship \$ Awarded** – this category is the total dollar value for all scholarship applications which have been approved and are in the process of being paid. Since the Virginia EMS Scholarship module is new, OEMS staff have only approved a small group of test applications as we work through the payment processes with the VDH Office of Financial Management.
- **Remaining Funds** – this category is the total dollar value of funds remaining in the scholarship program and available for to students for the remainder of the fiscal year.

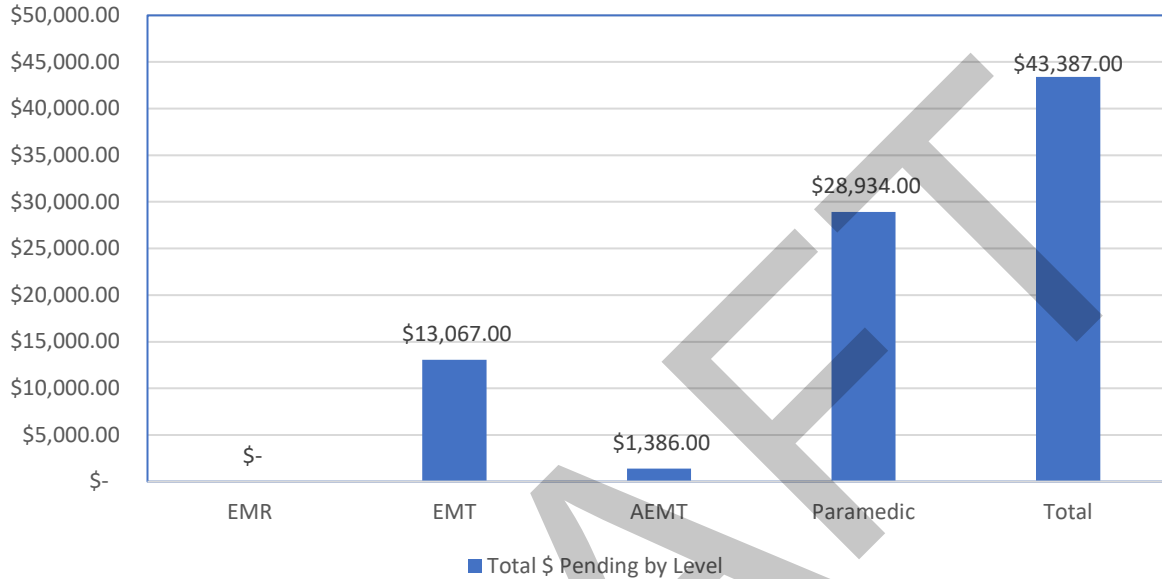

Breakdown of Pending Applications

The following chart show of pending scholarship applications by training level. This includes all pending applications for students enrolled in eligible initial certification courses from June 1, 2023 through December 31, 2023.
