1. PURPOSE and AUTHORITY

Rescue Squad Assistance Fund (RSAF) Grant Program (RSAF) is a multi-million-dollar grant program for Virginia non-profit EMS agencies and organizations. The RSAF grants are awarded through the Virginia Department of Health (VDH) Office of Emergency Medical Services (OEMS). This policy document describes the practices by which the Office of Emergency Medical Services (OEMS or the Agency) executes the administration and expenditure of allotments from the Virginia Rescue Squads Assistance Fund as established in the *Code of Virginia* (the Code) § [32.1-111.12](#).

Pursuant to § [32.1-111.12](#). "For the purpose of providing financial assistance to emergency medical services organizations in the Commonwealth, of providing the requisite training for emergency medical services personnel, and of purchasing equipment needed by such organizations, there is hereby created in the Department of the Treasury a special nonreverting fund that shall be known as the Virginia Rescue Squads Assistance Fund. The Fund shall be established on the books of the Comptroller, and any moneys remaining in such Fund at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Interest earned on such moneys shall remain in the Fund and be credited to it. The Fund shall consist of any moneys appropriated for this purpose by the General Assembly and any other moneys received for such purpose by the Board. On and after July 1, 1996, any such moneys unexpended at the end of a fiscal biennium shall remain in the Fund and shall not revert to the general fund."

Within 7 days of the award meeting, a report of the requests that are “Recommended for Funding” will be submitted to the Commissioner of Health for approval.
