General Guidelines

- Anyone may submit nominations for the Regional EMS Awards.
- Nominations for the Governor's EMS Awards **MUST** be submitted through a Regional Awards Program. Failure to do so will render the nomination invalid and it will not be presented to the Governor's EMS Awards Selection Committee.
- For all categories, nominations may be based on a demonstration of exceptional conduct or activities that have culminated in improvement of the emergency medical services system in the locality, region or state; or a nomination may be based on a single unusual or exceptional event which could be deemed beyond ordinary duty.
- The nominator should have broad knowledge of the nominee's qualifications and should carefully choose the category that most appropriately matches the nominee's accomplishments. (The regional award selection process allows nominations to be transferred to a more appropriate category at the region's discretion.)
- One letter of recommendation and a maximum of two additional supporting documents, such as a resume or CV, published articles, or other materials may be included. **Note: No more than three attachments in total will be considered.**
- One letter of support written by someone other than nominator **may be** included, but is not required. Up to three documents, including a letter of support, may be attached to the nomination form. Other documents may include a resume or CV, a newspaper article written about the nominee, etc.

- A statewide selection committee will review the regional winners. Those selected by the committee will be forwarded to the Governor as recommended recipients of the Governor's EMS Awards.
- Governor's EMS Award winners are ineligible to receive another Governor's Award **in the same category** within the following five-year period.
- If no applicant is deemed to meet eligibility in a specific category, then the Nomination Committee may omit that category from consideration. The Governor's Award selection committee **may not** move a nominee to a different better-suited category.
- The statewide Governor's EMS Awards selection committee will also consider nominees for the Scholarship and Lifetime Achievement awards.
