

**April 22nd 8A-12P**  
**EMS PEDIATRIC  
EMERGENCY CARE  
COORDINATOR  
(PECC) WORKSHOP**

**EMS PECC Workshop Training**

Ever wonder what a Prehospital PECC is, or even what they do? The PECC is a person within an EMS agency that supports and champions the preparedness, training and safe delivery of pediatric care to the community. This workshop will present information on and how to build a solid pediatric program within your EMS agency.

To register for the workshop, please email Lt. Whitney McCormick at [wmccormick@co.augusta.va.us](mailto:wmccormick@co.augusta.va.us)

In collaboration with Augusta County Fire-Rescue and VAOEMS EMS for Children Partnership.

**How to set up and maintain an agency PECC program**

**Understand the responsibilities of an EMS PECC position**

**Plan, coordinate and validate pediatric education/training**

**How to use pediatric EPCR data for performance improvement**

**Much more!**

**WORKSHOP LOCATION:**

**Augusta County Fire-Rescue Training Center**

115 Dick Huff Lane, Verona, VA 24482.
