

Prince William Health District

BACK TO SCHOOL IMMUNIZATION CLINIC

Prince William Health District's Back-to-School Vaccination Week is in August, offering all required school vaccines for children and youth.

Visiting sooner helps avoid long lines and gets students ready for the first day without delays.

DATES: August 10 - 21, 2026
HOURS: 8:30 AM - 4:30 PM (Mon-Fri)

Scheduled and same-day appointments may be available based on clinic capacity.

Please bring your child's current vaccination record at the time of visit.

- New to the U.S.? Bring vaccination records from the country your child received care
- Relocating to Virginia from another state? Bring vaccination records from their previous state
- Virginia resident may request to get a copy of their vaccination record online.
