

August 31 CHIP Sprint 1 Lunch & Learn: Mobile Business Cards

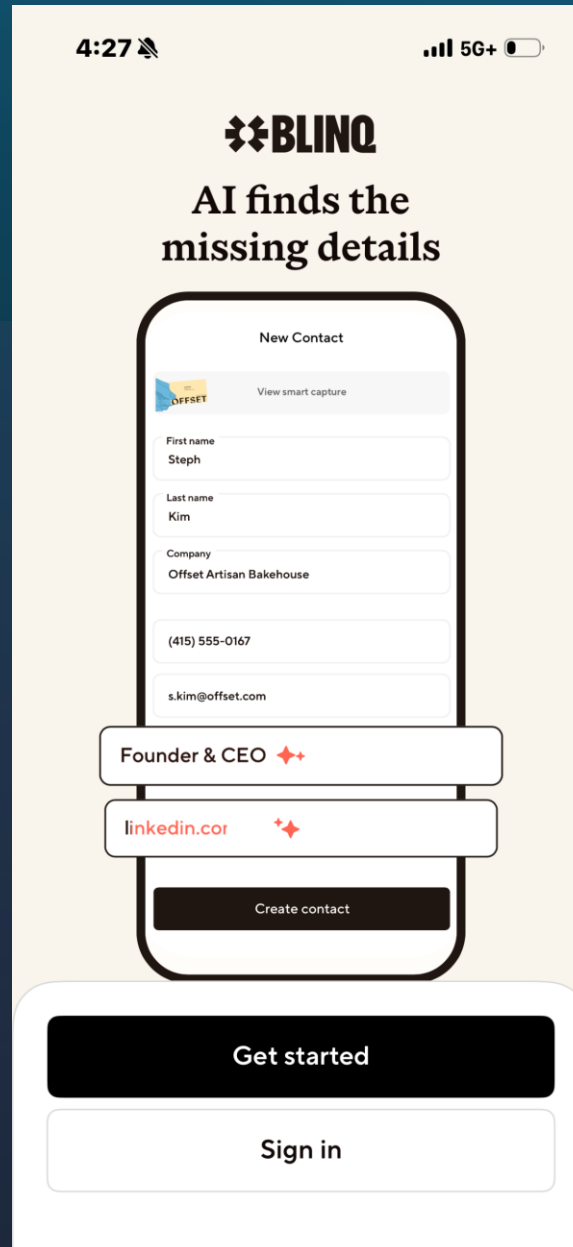

Set up step by step

- Open App store
- Find search bar
- Type Blinq Digital Business Card

- Select get started

- Type your first name
- Type your last name
- Once finished press continue

The image shows a mobile app registration screen. At the top, the status bar displays the time 4:27, signal strength, 5G+ connectivity, and battery level. Below the status bar is a navigation bar with a back arrow and a progress indicator. The main heading reads "First things first... what's your name?". There are two input fields: "First name (required)" and "Last name". Below the input fields is a link for "Privacy Policy & Terms of Service". A "Continue" button is positioned below the link. At the bottom, a keyboard is visible with the text "Jordan Chambers Jordan" entered in the first name field. The keyboard includes a "next" button.

- **Type company name**
- **Type job title**
- **Company website should populate automatically**
- **If your company website doesn't automatically populate type your company email manually**
- **Select continue once finished**

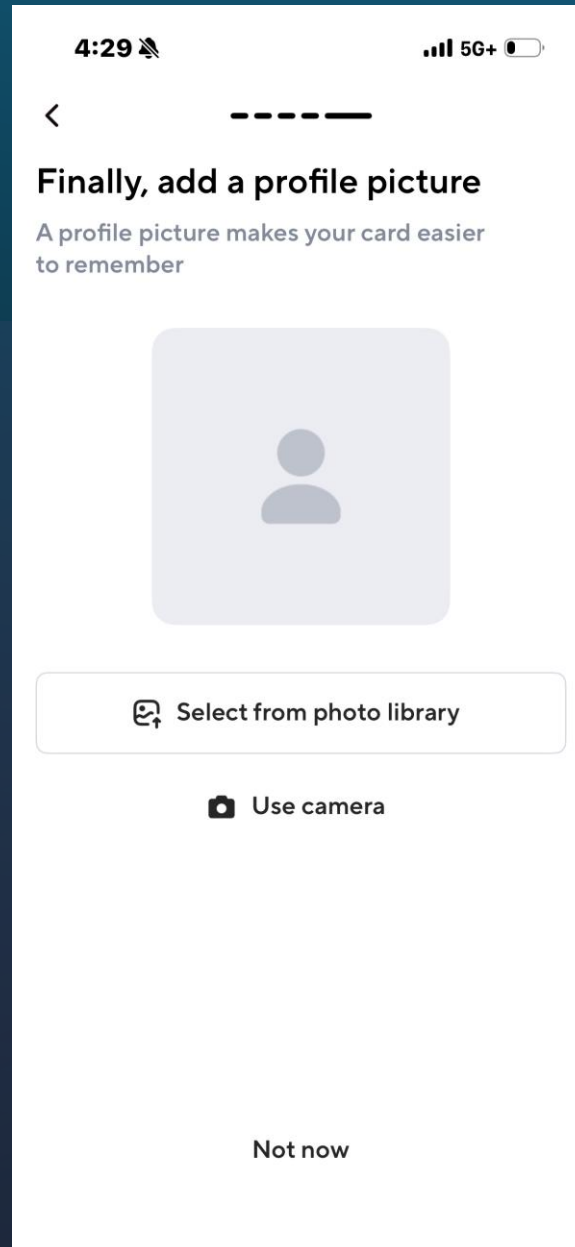

A screenshot of a mobile application interface. At the top, the status bar shows the time 4:28, signal strength, 5G+ connectivity, and battery level. Below the status bar is a navigation bar with a back arrow and a progress indicator consisting of three dashes, the second of which is filled. The main heading asks, "What professional details should your card display?". There are three input fields: "Company name" (empty), "Job title" (empty), and "Company website" (pre-filled with "vdh.virignia.gov"). Below these fields is a large black button labeled "Continue". At the bottom of the screen is a standard iOS keyboard with a "next" button to the right of the spacebar.

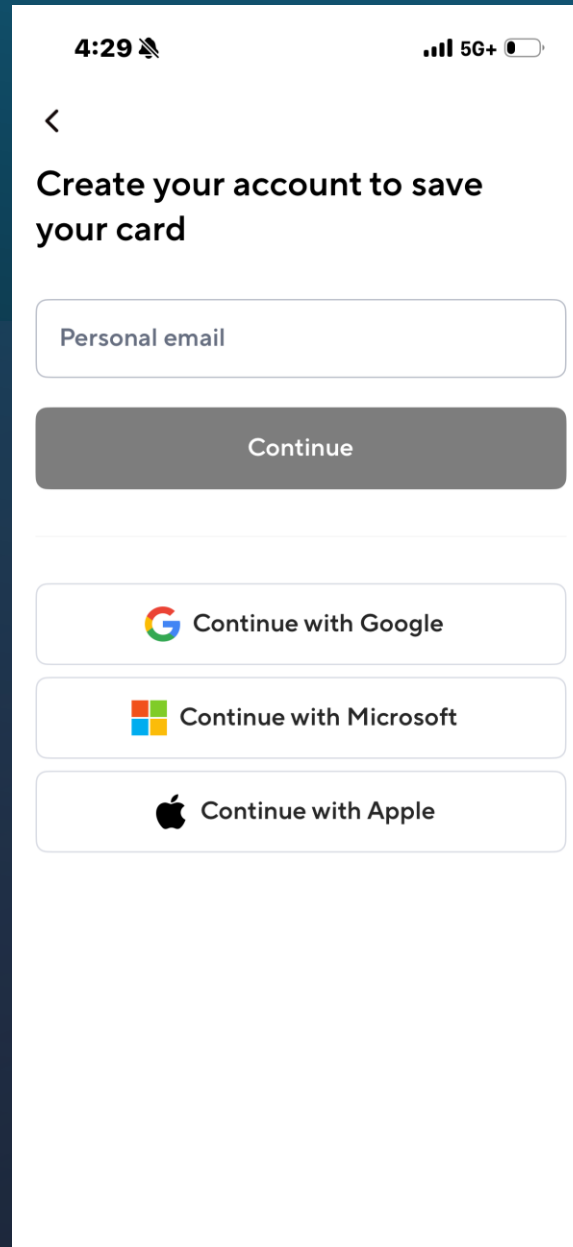

- **Choose select from photo library**
- **Confirm Blinq access to your photo library**
- **If you don't have the company logo in your photo library, feel free to google and screenshot company logo for an easy upload**

- Upload selfie from photo library
- Or select not now

- **Type your personal email**
- **Choose continue once you are done**

- The code should automatically populate above the keyboard
- If it doesn't open your inbox and retrieve the code
- Select continue when finished

The screenshot shows a mobile app interface for signing in. At the top, the status bar displays the time 4:29, signal strength, 5G+ connectivity, and battery level. Below the status bar is a back arrow. The main heading is "Sign-in code sent!". Below this, a message states: "Once you enter the code we sent to **jcchambers2020@outlook.com**, you'll be all signed in." Below the message is a code input field consisting of six boxes; the first box contains a vertical line. Below the input field is a link: "Didn't receive a code? Resend code in 0:53". Below the link is a "Continue" button. At the bottom of the screen is a numeric keyboard with digits 1-9, 0, and a backspace icon.

- **Select the pencil icon in the top right corner if you would like to add more contact information**
