PREGNANCY LOSS SERVICES INITIATIVE

By increasing access to pregnancy loss support services among Virginians, VDH aims to help individuals and families heal, thus resulting in positive health outcomes for children, adults, families, and communities.

The following agencies partner with VDH to offer pregnancy loss services:

BIRTH IN COLOR

Birth in Color RVA provides culturally-centered support to pregnant people, their families, and birthing communities to ensure a safe delivery and make better decisions for their children.

VCU

VCU's Department of Obstetrics and Gynecology is dedicated to ensuring that patients and their families have a full understanding of their options and receive comprehensive services and support.

KENNEDY'S ANGEL GOWNS

Kennedy's Angel Gowns exists to support bereaved families faced with pregnancy and infant loss and significantly improve the maternal health of the community through counseling and education.

SISTERS IN LOSS

Sisters in Loss provides educational and doula services in pregnancy, birth, postpartum, bereavement, and grief support.

FULL CIRCLE GRIEF CENTER

Full Circle Grief Center provides professional, bereavement support to children, families, adults, and communities in Central Virginia.
