Multilanguage Clinic Sheet

If you serve clients and patients who are non-native English speakers, the Multilanguage Clinic Sheet is the best way to share information about Quit Now Virginia translated in the top 13 languages spoken in Virginia. *Limited print quantities are available.* Consider laminating these printed copies to keep in clinic rooms. Unlimited copies can be printed directly from digital resources on the TCP website: [QNV-Clinic-Sheet-Multilanguages.pdf](#).

Quantity: _____ (Max – the number of clinic rooms in your organization)

Individual Multilanguage Clinic handouts for clients can be printed in 13 languages from the digital resources on the TCP website (recommended to print on Avery template 5392): [QNV language cards print Avery5392.pdf](#)
These are not available to order in print copies, at this time.

Unlimited digital copies can be printed from our website: <https://www.vdh.virginia.gov/tobacco-free-living/resources/>
