

## Division of Community Nutrition

**Subject: Infant Healthcare Confirmation**

**Policy: CRT 12.0**

*Reference: CFR §246.7  
and CFR §246.11*

**Effective: August 12, 2013**

**Supersedes: October 25, 2009**

### **I. Policy:**

During a visit for an infant between 4 and 8 months of age, personnel shall confirm whether the infant is receiving ongoing health care.

### **II. Procedure(s):**

- A. The parent / legal guardian / or caretaker shall be asked for information regarding whether the infant is receiving ongoing care from a health care provider.
- B. If he/she has an ongoing health care provider, the provider name and date last seen shall be documented in Crossroads Comments. Verification of the provider name and date is not required.
  - 1) If he/she does not have an ongoing health care provider, the parent / legal guardian/ or caretaker shall be provided with referral information, which shall be documented in Crossroads.
