<i>Subject: Breastfeeding Supplies</i>		<i>Policy: BF 04.0</i>
<i>Reference: N/A</i>	<i>Effective: March 14, 2022</i>	<i>Supersedes: August 12, 2013</i>

I. Policy:

Breastfeeding supplies shall be available to aid breastfeeding participants with specific breastfeeding management problems.

II. Procedure(s):

A. The Breastfeeding Coordinator / designee shall:

- 1) Ensure that each local agency maintains a supply of manual breast pumps, electric breast pumps and attachment kits, breast pads and other appropriate materials supports as determined by the state WIC office.
- 2) Ensure that all multi-user breastfeeding supplies are properly cleaned and sanitized before distribution.
- 3) Ensure that breastfeeding participants are instructed on hand expression of breast milk before issuing a breast pump.
