Changing Diapers
The Safe Way

1. Wash hands.

2. Get set up.

3. Keep one hand on child at all times.

4. Remove diaper and clean child. May use gloves.

5. Properly dispose of soiled items—including gloves.

6. Put on clean diaper.

7. Wash your hands and child’s hands.

8. Changing surface:
   - Clean
   - Sanitize
   - Air-dry
   - Wash hands
