

# School Enrollment Immunization Record Translation-Public Schools

This translation service is available to public school nurses/registrar and local health department staff. Please allow a minimum of 5 business days for translation of immunization records. This service is provided by the Virginia Department of Health (VDH) and is only for translation purposes. A registered nurse (RN) will need to verify compliance with school immunization requirements as per Code of Virginia 32.1-46. All submissions will receive an email confirmation of receipt and PDF version of response.

Please limit response to one per student.
