Buckle Up

give the **best hug** in the world

In 2016, Virginia Safety Seat Check Stations checked more than **8,500** child safety seats

and only **1,061** were correctly installed

In 2015, **11** children died and **2,134** were injured in Virginia from motor vehicle crashes

Is your child riding as safely as possible?

Visit a Virginia Department of Health Safety Seat Check Station today and find out!
