1.   Data source: Virginia Department of Health, Division of Policy and Evaluation, Behavioral Risk Factor Surveillance Survey, 2012-2013. Weighted counts and weighted percents are weighted to population characteristics.
2.   "- - -" replaces estimates when the unweighted sample size for the denominator was < 20 or the CI half width was > 10 for any cell.
3.   Responses of don't know/not sure, refused, or missing were removed from the numerator and denominator in all estimates.
4.   *** Use caution in interpreting sample sizes less than 50.
5.   CI= 95% confidence interval.
