

DIRECTORY OF PRIVATE AND STATE INSPECTORS

This is a directory of individuals who have indicated to the Office of Radiological Health that they are qualified by training and experience to perform surveys or calibrations according to the criteria in Section 12VAC 5-481-340 of the Virginia Radiation Protection Regulations of 2006. Individuals in this booklet have indicated to the Office of Radiological Health that they are available for consulting or performing inspections upon request by registrants of x-ray equipment. **Private inspectors are not employees of the Virginia Department of Health and any fees they charge for services are not regulated.**

This directory includes information about each individual inspector including their name, company, address, type of inspections they perform and comments about additional accreditation.

There is an index in the back of this directory that lists each inspector by city and state. There is also a list of inspectors and the types of inspections and services they perform.

Please report any problems you should encounter concerning this directory or any of the inspectors listed to the following address:
