ACHDHE October Meeting Update:

Ms. Harrison shared that some changes are required to this meeting because the public health emergency, which allowed the workgroup to meet virtually, has expired. The Appropriations Act of the Virginia General Assembly's 2021 Special Session allows the workgroup to continue meeting virtually as long as no formal votes are taken and no formal recommendations are presented. However, members can provide recommendations on a post-meeting survey for presentation during the next in-person meeting. The ACHDHE leadership team decided to hold the meeting virtually, despite these restrictions, due to the high number of COVID-19 cases at the time.

Ms. Harrison asked for members' thoughts on this approach and on future meeting formats. She noted that a quorum of the ACHDHE members would have to be in physical attendance for the group to take votes or make recommendations during the meeting. A few members spoke in favor of meeting in-person. The ACHDHE leadership team will decide on the nature of participation at the upcoming meetings in 2022, and will make every effort to include hybrid and/or in-person meetings if it is safe to do so. Ms. Harrison noted that members might be asked to take a survey before the next meeting about their ability to attend in person.

APPROVAL OF MINUTES

The approval of the ACHDHE July 13, 2021 meeting minutes were postponed to the next ACHDHE in-person meeting, which will potentially be in January 2022.

ACHDHE RECOMMENDATIONS TO THE COMMISSIONER

The submission of the ACHDHE presentation recommendations from the July 13, 2021 meeting was postponed to the next ACHDHE in-person meeting.

STATE HEALTH COMMISSIONER UPDATES

Dr. Norman Oliver, State Health Commissioner, could not attend today's ACHDHE meeting. However, Mr. Jeff Stover, the agency Chief of Staff, attended and shared the State Health Commissioner's updates:

- VDH Funding:
 - VDH received \$27 million and the Virginia Beach Health District received an additional five million dollars in grant funding. The funds are geared towards health equity and diversity, equity and inclusion initiatives. Some of the funds are intended for programs at Virginia's Historical Black Colleges and Universities (HBCU), rural health, Partners in Prayer and Prevention, and workforce development.
 - An additional \$290 million from the federal ARPA State Fiscal Fund was received for 10 projects to address: drinking water infrastructure, septic systems, substance abuse, Local Health Dept. maintenance, public oral health, targeted community outreach, administrative IT systems and electronic health records initiatives.
- Administrative Updates at VDH:
 - VDH recently hired Ms. Kathryn Crosby as the agency's newly established Chief Diversity, Equity and Inclusion (DEI) Officer. She starts October 25, 2021 and she will report directly to the State Health Commissioner. The Office of Health Equity will report to the DEI officer, Ms. Crosby.
 - Mr. Henry C. Murdaugh is now the Acting Director for the Office of Health Equity while hiring for the position of office director is in effect.
