Prevention Services

Prevention Services promotes individual, family and community behavioral wellness. We value collaboration across systems, early identification and intervention, parent empowerment, preventing substance misuse, and promoting emotional health and wellness.

Our services include community education about mental health and suicide prevention, consultation with early childhood providers, parent education and youth prevention programs.

Services offered by Prevention

Professional & Community Education

- Mental Health First Aid
- Youth Mental Health First Aid
- Applied Suicide Intervention Skills Training (ASIST)
- Trauma Stewardship
- Adverse Childhood Experiences (ACEs)
- Wellness Workshops

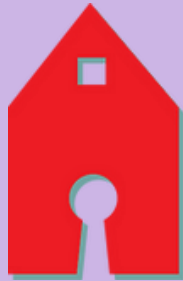

Parent Education

- **Consultations**
- **Classes**
