Successes

- ▶ Collaboration
- ▶ Student support & partnership with Student Resource Center
- ▶ Program growth to new clinical partner
- ▶ Student Testimonial: “Without earn-while-you-learn, it wouldn’t be possible for me to do this. I can’t leave employment to go to school. The insurance allows me to retain as an employee means the world to us... I get to keep my full salary, and this didn’t take time away from my family. I’m forever grateful for this program. I can’t express enough how blessed I feel being a part of it.”

- Caitlin Payne, May 2026 graduate
