

Summit Activity

COVID-19 Hot Wash

Purpose

- The purpose of the 2022 Public Health Preparedness Summit Group Activity is to examine the response gaps and lessons learned from the districts during the COVID 19 pandemic. Through a facilitated discussion, Local Health District staff will think, pair, and share their response experiences during the COVID Pandemic in accordance with the Centers for Disease Control Public Health Emergency Preparedness and Response Capabilities. (2018 Version)

Outcome

- The outcome of this activity will be an after-action type of support document to allow for the continued planning capacity building and sustainment of activities for future responses.

THINK. PAIR. SHARE.

THINK

- You will
 - Review the overall capability
 - Examine the functions of each capability
 - Individually rating the agencies performance in each function related to the capability based on the PHEP evaluation criteria

PAIR

- After you think, you pair with everyone at your table!
 - Work with your group to rate the agencies performance in each function related to the capability using the PHEP evaluation criteria
 - Share experiences and examples

Share

- After you pair, you share!
 - Share your tables ideas with the room
 - Place your individual feedback form in the table folder to be reviewed later – you do not need to include any identifying information unless you so desire
