Local Health District Shelter Operations Readiness Tabletop Exercise (TTX)
Information Collection & Analysis Plan

Exercise Date:
Exercise Venue:
Exercise Purpose: The purpose of the Local Health District Shelter Operations Readiness Tabletop Exercise is to examine and discuss the capabilities necessary to support shelter activation and operations in accordance with local Plans, policies and procedures and established VDH training curricula in response to a Category 3 Hurricane that will begin to impact Virginia in the next 72 hours.
Scenario Overview: Category 3 Hurricane

Planning Standard: Public Health Emergency Preparedness Capability 7-Mass Care

Mass care is the ability of public health agencies to coordinate with and support partner agencies to address within a congregate location (excluding shelter-in-place locations) the public health, health care, mental/behavioral health, and human services needs of those impacted by an incident. This capability includes coordinating ongoing surveillance and assessments to ensure that health needs continue to be met as the incident evolves.

Functions: This capability consists of the ability to perform the functions listed below.

Function 1: Determine public health role in mass care operations
Function 2: Determine mass care health needs of the impacted population
Function 3: Coordinate public health, health care, and mental/behavioral health services
Function 4: Monitor mass care population health
