

Office of Emergency Preparedness (OEP) Cooperative Agreement Updates

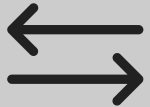

Current Situation: HPP

- Hospital Preparedness Program (
- June 26, a partial Notice of Award (NOA) was issued (\$5,228,000).
 - Total potential amount of \$7,842,002.00; ~70 % / 8 months funding.
- August 4, ASPR/HPP issued a memo (Authorization to Incur Costs) authorizing states to incur costs while awaiting the revised NOA.
- August 29, ASPR & CDC signed an interagency agreement, CDC will provide ASPR with grants management services for the fiscal year.
- Currently awaiting issuance of BP2/FY25 NOA and/or additional guidance.

Current Situation: PHEP

OEP received the PHEP "Partial Notice of Award" for Budget Period (BP) 2, which began on July 1, 2025. The NOA provided 78% of the PHEP "Base" award. Remaining funds still expected.

The PHEP funding received for BP2, in addition to BP1 remaining funds, means that OEP does not foresee immediate (through September) changes to PHEP personnel or major program activities.

Close monitoring of Federal budget negotiations for FY26 ongoing.
