

CSHD COVID-19 Vaccination Efforts - Week of January 18th

Vaccine Planning Considerations:

It is important to take the following into consideration when looking at district vaccine distribution efforts:

- The distribution of vaccine from the federal government to Virginia has been limited, which has affected the ability of local health departments and community partners to obtain vaccine to offer to priority groups.
- We expect vaccine availability to be limited over the next few months.
- CSHD is working with our local healthcare partners to increase our community capacity to vaccinate individuals in Phase 1b.

Total COVID-19 Vaccines Given by CSHD
4,860 doses

**as of 1/23/2021*

The data provided only reflects COVID-19 vaccinations performed by the Central Shenandoah Health District and are not a reflection of total COVID-19 vaccines given within the health district.

- Veterinarians
- Additional Medical Personnel
- Phase 1A catch-up

PHASE 1B:

- K-12 Staff
- Daycare

Date	Daily Number of COVID-19 Vaccines Distributed by CSHD
Tues, Jan. 19th	390 doses
Wed, Jan. 20th	970 doses
Thurs, Jan. 21st	960 doses
Fri, Jan. 22nd	130 doses
Sat, Jan 23rd	90 doses
Weekly Total	2,540 doses

Central Shenandoah Health District:

- Our district comprises of 5 counties and 5 cities:
Rockingham, Augusta, Rockbridge, Bath & Highland Counties
Harrisonburg, Staunton, Waynesboro, Lexington, Buena Vista Cities
- Due to the differences in populations and resources in the five counties and five cities that make up the district, some areas may move into the different vaccination phases faster than others. We should also expect overlap in the phases as we work through the vaccination process.

DON'T FORGET-STAY VIGILANT!

COVID-19 is in our community. To stop the spread, everyone should continue to:

- Wear a face mask when around people you don't live with
- Avoid social gatherings and keep 6ft. distance between you and others
- Wash your hands and cover your cough

It is crucial that everyone takes these prevention measures, even after you get vaccinated!
