- We want what is best for our kids! Making a plan to get our kids up to date on their vaccinations required for school now can help ensure they get to school on time next fall. Don't wait to vaccinate! Learn more here: <https://bit.ly/3JSZu49>
- It's never too early to plan for your child to get up to date on their school required vaccinations. Call your child's doctor or your local health department today to schedule an appointment. Don't wait to vaccinate! Learn more here: <https://bit.ly/3JSZu49>
- Are you concerned about the cost of school required vaccines for your children? The Vaccines for Children Program (VFC) may be for you! Make a plan today to get your child vaccinated before the start of the 2023-2024 school year. Learn more here: <http://bit.ly/42EcpOT>
- Do you have a plan for your child to get their routine vaccinations before the start of daycare or school? Not sure where to get more information? VDH's Back-to-School Safety Guide can help you make a plan. Learn more here: <https://bit.ly/3JSZu49>

## Facebook / Instagram:

- We want what is best for our kids, but it can be hard to keep track of all the vaccines they need to keep them healthy. See below for some helpful resources:

Check out this Child and Adolescent Vaccine Assessment Tool to find out which vaccines your child needs: <http://bit.ly/3Ts5i7V>

Call your child's doctor's office or visit VDH's Immunization Record Request Form to see what vaccines your child has already had: <https://bit.ly/3LCr0nR>

Make a plan today to get your child up to date on their vaccines before starting daycare or the 2023-2024 school year: <https://bit.ly/3JSZu49>
