**Central Virginia Health District to host COVID-19 Testing Event**  
*January 12<sup>th</sup> at the Lynchburg Health Department*

LYNCHBURG, Va. – The Central Virginia Health District will host a COVID-19 testing event this Wednesday, January 12 from noon – 3:00 p.m., OR until we have completed 200 tests. The event will be held at the Lynchburg Health Department, 307 Alleghany Avenue and you will not have to leave your vehicle.

We are anticipating a large turnout and must limit our testing to 200 participants. PCR tests will be used with results expected within 72 hours. No rapid tests will be provided at this event.

Parking for testing will not start until 11:00 a.m. and tests will not be administered until noon. Please look for signs directing traffic flow.

Tests are free, while supplies last, for anyone who needs or wants one regardless of vaccination or symptom status.
