

PRESS RELEASE

COVID-19 Mobile Clinics coming to CVHD

FOR IMMEDIATE RELEASE: November 8, 2021

For More Information, Contact:

Kim Foster, Population Health Community Coordinator, Central Virginia Health District,
Kimberlee.Foster@VDH.Virginia.Gov

(Lynchburg, VA)— The Virginia Department of Health-Central Virginia Health District has some mobile options available for those seeking the COVID-19 1st dose, 2nd dose or booster vaccination. We currently have two events scheduled, with more to come.

For the mobile events below, residents will have the option of receiving the Pfizer, Moderna or J&J vaccine. Appointments are encouraged and can be made by clicking on the link below. These links can also be found by going to CVHD.org. Walk-ins will be welcome as well. Please bring your vaccination card with you if you have already been vaccinated with at least one dose.

- 1. Date and Time: November 12th, 2021 from 4 pm - 7 pm**
Location: Delta Response Team, 2007 Memorial Ave, Lynchburg, VA 24501
Hosted by: Lynchburg Lifesaving Crew and Delta Response Team
Open to the Public

As of this press release, the vaccine for 5-11 year olds will not be available at the mobile sites. Parents are encouraged to check with their pediatrician office or search for participating retail pharmacies by visiting vaccinate.virginia.gov or calling 877-VAX-IN-VA (877-829-4682). The COVID-19 vaccine is also being provided, by appointment, at the Lynchburg Health Department. Appointments can be made by calling 434-477-5974.
