ATTENTION

Dear Owner/Operator:

Chapter 38 of the Chesapeake City Code requires that before a Body Art Operator/Technician practices any form of body art (body piercing or tattooing), they must have submitted to the Health Department the following:

1. Proof of completed Hepatitis B Vaccine.
2. A TB risk assessment from local Health Department/physician or negative TB placement.
3. A valid Department of Professional and Occupational Regulations (DPOR) license from the Board for Barbers and Cosmetology Tattooer License.
4. Proof of adequate training in basic CPR, First Aid and Blood borne Pathogens.

Item 2 must be updated annually. All documents must be kept current and on the premises.
