Chesapeake Health Department

Environmental Health

748 North Battlefield Boulevard

Chesapeake, VA 23320

(757)382-8672 Fax (757) 382-8713

ATTENTION

Dear Owner/Operator:

As a reminder, Chapter 38 of the Chesapeake City Code requires that before a Massage Therapist practices massage, they be required to submit to the Health Department the following items upon initial hiring and/or annually:

1. Proof of a general physical examination by a physician licensed in the Commonwealth of Virginia (attached form may be used).
2. A TB risk assessment from a local health department/physician or a negative TB placement.
3. Board of Nursing certification as a Massage Therapist.

Once all items have been received by the Health Department, a Certificate of Good Health will be issued and must be kept on the premises.
