Mental Health Progress Report

Goal 3: Increase accessibility to and availability of mental healthcare providers across Goochland County by addressing geographic distribution of mental health services and availability of telehealth and mobile mental health services to reach underserved populations.	July-September, 2025 Status	October-December, 2025 Status	January-March, 2026 Status
Objective 3.1			
Strategy 3.1.1: Assess, inventory, and categorize the available mental health resources within Goochland County.	●	●	●
Strategy 3.1.2: Conduct a gap analysis of service distributions within the county and define “underserved populations” (e.g., who needs better internet for telehealth services, who experiences transportation barriers to care, or who would benefit from mobile health services).	●	●	●
Strategy 3.1.3: Create a resource guide and share it as both a physical hardcopy and on the county website. A digital copy will be shared with community partners to improve options for referrals and resource sharing.	●	●	●
Strategy 3.1.4: Market Goochland County to mental healthcare providers using the result of the mental health assessment, inventory, and gap analysis.	●	●	●
Goal 4: Strengthen partnerships by improving collaboration across sectors to enhance referral networks, service accessibility, and coordination of mental health resources.	July-September, 2025 Status	October-December, 2025 Status	January-March, 2026 Status
Objective 4.1			
Strategy 4.1.1: Form new partnerships between different community agencies (e.g., Fire-EMS, VDH, the Span Center), including first responders, clinicians, and other county staff, to increase training opportunities in crisis intervention, mental health, and substance use and to enable appropriate support during a mental health or substance use crisis.	●	●	●
Strategy 4.1.2: Maintain the Goochland-Powhatan Community Services Board's partnerships with public agencies and private entities to continue providing mental health and substance use support services to those who need them (e.g., public schools and GoochlandCares).	●	●	●
Goal 5: Improve mental health awareness across an array of community members, businesses, and leaders.	July-September, 2025 Status	October-December, 2025 Status	January-March, 2026 Status
Objective 5.1			
Strategy 5.1.1: Identify trusted community leaders who can be leveraged as protective factors in improving mental health outcomes and increase training opportunities available to these leaders to aid in mental health crises.	●	●	●
Strategy 5.1.2: Increase community-level training opportunities to help recognize people at risk of suicide and other appropriate support in mental health crises.	●	●	●
Strategy 5.1.3: Increase MHFA and QPR training for caregivers within Goochland to help reduce stigma associated with mental health challenges and improve awareness of signs/symptoms associated with a mental health crisis.	●	●	●

Goal 6: Grow opportunities for connectedness within the county to address social isolation and loneliness.	July-September, 2025 Status	October-December, 2025 Status	January-March, 2026 Status
Objective 6.1			
Strategy 6.1.1: The Span Center’s Friendship Café, now hosted at Jerusalem Baptist Church, will host “Intergenerational Cafes” at the Goochland YMCA for Friendship Café attendees and YMCA youth campers.	●	●	●
Strategy 6.1.2: The Span Center’s Friendship Café will reach out to other faith organizations to find others who would like to host additional Intergenerational Cafés.	●	●	●
Objective 6.2			
Strategy 6.2.1: Students and veterans will attend another intergenerational community to talk about the Veterans Project and form new connections.	●	●	●

Attainable and Safe Housing Progress Report

Goal 7: Restart the Housing GVA Steering Committee to enhance collaboration and propose plans for the future.	July-September, 2025 Status	October-December, 2025 Status	January-March, 2026 Status
Objective 7.1			
Strategy 7.1.1: Determine Steering Committee host site and meeting facilitator(s).			
Strategy 7.1.2: Review the housing study and fact sheet completed in April 2021; determine potential changes from 2021 to present related to housing dynamics in the county.(11)			
Strategy 7.1.3: Invite Steering Committee members (previous and new); create a roster, draft agendas, and determine initial meeting frequency. Determine vision/goals and Steering Committee needs (charter, roles, etc.).			
Strategy 7.1.4: Research potential grant opportunities to support Housing GVA initiatives (e.g., Virginia Housing).			
Strategy 7.1.5: Raise awareness, continue support for, and plan for the sustainability of local programs that address housing needs (GoochlandCares, Department of Social Services, Habitat for Humanity, YMCA, among others).			
Strategy 7.1.6: Meet with at least two jurisdictions to learn about housing strategies used to address the needs of those who desire to age in place, members of the local workforce, homeowners and renters, as well as young families. The Steering Committee will share this information with Goochland County.			
Objective 7.2			
Strategy 7.2.1: Steering Committee members will determine which sections of the comprehensive plan are related to improving housing options for those who desire to age in place, members of the local workforce, homeowners and renters, as well as young families and the progress or status of those plans.			
Strategy 7.2.2: Steering Committee members will connect with the county's Community Development Department to ask questions, make suggestions, and gain a better understanding of the progress (or modifications) of the plan to date.			
Strategy 7.2.3: Steering Committee members will connect with residents and the local workforce to obtain their housing stories to share with county leadership.			
Strategy 7.2.4: Steering Committee members will review strategies for future consideration, listed on page 23.
