

# 2016 MAPP2Health Report Update

Download a copy of the update at <http://www.vdh.virginia.gov/thomas-jefferson/plan-mapp2health>.

Review highlighted partnerships across the four MAPP2Health priorities. Learn about programs, activities, and initiatives implemented by MAPP partners to address specific strategies contained in the 2016 Community Health Improvement Plan.

**Promote Healthy Eating  
& Active Living**

**Address Mental Health &  
Substance Use**

**Reduce Health Disparities  
& Improve Access to Care**

**Foster a Healthy &  
Connected Community for  
All Ages**
