PLEASE READ CAREFULLY:

This report is only intended to address the above referenced request and does not address evaluation procedures for sewage systems being sold through real estate transfers, or systems and water supplies being reused as part of a subdivision process. This document specifically addresses VDH's implementation of § 32.1-165 of the Code of Virginia and is not to be used for any unauthorized use.

The property boundaries and building locations are clearly marked or identified at the property. I give permission to VDH to enter the property described, if necessary, for the purpose of processing this application. An accurate sketch of the property, existing structures, wells, sewage disposal systems, and proposed structure(s), is attached. Please also attach any recent records of septic system (septic tank pump-outs, operation & maintenance reports).
