RE: Carilion Medical Center d/b/a Carilion Roanoke Community Hospital

Roanoke, Virginia

Temporarily add 46 inpatient medical/surgical beds in response to COVID-19 at
Carilion Roanoke Community Hospital

Dear Mr. Conte:

In accordance with Executive Order 52, I reviewed the request and all supporting documents submitted by Carilion Roanoke Community Hospital (Roanoke Community) to temporarily add 46 licensed beds at Roanoke Community. I have considered the factors listed in my March 24, 2020, letter; and I have concluded that **approval** of the request is warranted based on the following findings:

1. Roanoke Community has demonstrated that, due to the reasonable expectation of a sudden and overwhelming increase in acute care patients resulting from COVID-19 infection, Roanoke Community has an immediate need to temporarily add 46 licensed inpatient beds.
2. Roanoke Community's plan for training and shifting existing staff is a reasonable solution for staffing the additional beds.
3. Roanoke Community's plan and ability to obtain equipment and supplies is reasonable within the confines of the current crisis.
4. Roanoke Community's plan to expand bed capacity in existing hospital space throughout the facility, while seeking variance in accordance with 12VAC5-410-30 where necessary, assures patient safety is maintained from a fire and life safety code perspective.

Mr. Nicholas C. Conte

In accordance with Executive Order 52, the 46 added beds are deemed to be licensed from the date an emailed notice is received by Robert Payne, Director of the Office of Licensure and Certification, that they are open. This authorization is valid for the period April 8, 2020 through 30 days after the expiration of or rescission of Executive Order 52, as it may be amended.

If you have any questions, please contact Robert Payne at (804) 367-2109, or Robert.Payne@VDH.Virginia.gov. Thank you for your response to the community in this public health emergency.

Sincerely,

DocuSigned by:
