E 000	Initial Comments An unannounced Emergency Preparedness COVID-19 Focused Survey was conducted on 11/12/2020. The facility was in compliance with E0024 of 42 CFR Part 483.73, Requirements for Long-Term Care Facilities.	E 000		
F 000	INITIAL COMMENTS An unannounced COVID-19 Focused Infection Control Survey was conducted on 11/12/2020. The facility was in substantial compliance with 42 CFR Part 483.80 infection control regulations, and had implemented the CMS and Centers for Disease Control (CDC) recommended practices to prepare for COVID-19. The census in this 161 certified bed facility was 109 which included 2 COVID positive residents. The last facility wide testing was completed on 11/06/2020 that included 106 residents, with all testing negative. Facility wide staff testing was started on 11/09/2020. At the time of the survey 89 staff had been tested, with 52 results returned as negative and 37 test results were pending. The remaining 31 staff were scheduled to complete testing on 11/12/2020. Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
