Dear Dr. Oliver:

I am writing to notify you that Orthopaedic Surgery & Sports Medicine Specialists of Hampton Roads, P.C. d/b/a Orthopedic and Spine Center, a Virginia professional corporation, intends to apply for a certificate of public need to establish an ambulatory surgery center in Newport News, Virginia 23606 located in Planning District 21. It is my understanding that the application will be reviewed with Batch Group B in September, 2021.

This project will involve the introduction of a 19,000 square foot surgery center including 4 operating rooms, pre- and post-operative areas, administrative and physician space and patient waiting rooms.

I appreciate your time and assistance in providing me with the appropriate forms to begin the application process.

Very Truly Yours,

Alan Leybold
