**Re: Eastern Healthcare Group, LLC -- Letter of Intent**

Dear Dr. Greene,

I am writing on behalf of our client, Eastern Healthcare Group, LLC ("Eastern"), to notify you of its intent to file a Certificate of Public Need ("COPN") application for the addition of 15 nursing home beds to its Old Dominion Rehabilitation and Nursing facility located in Planning District 21. The development of Eastern's project will be based upon a forbearance agreement to transfer 15 nursing home beds from an existing nursing home in Planning District 21. Such nursing home will agree to the termination of its license and COPN for 15 beds upon issuance of a COPN for Eastern's project.

Please note that issuance of a COPN for this project will not result in an increase in the number of licensed nursing home beds in Planning District 21. Please forward the relevant application materials to me at your earliest convenience.

Please let me know if you have any questions. Thank you for your assistance.

Sincerely,

Matthew M. Cobb
