RE: **COPN No. VA-04798**
IFRC, LLC, Herndon, Virginia
Establish a specialized center for CT services with one relocated and replaced CT scanner

Dear Mr. Dreyer:

In accordance with Chapter 4, Article 1.1 of Title 32.1 of the Code of Virginia of 1950 (the Code), as amended, I reviewed the application and all supporting documents submitted by IFRC, LLC to establish a specialized center for CT services with one relocated and replaced CT scanner.

As required by Section 32.1-102.3B of the Code, I have considered all factors that must be taken into account in a determination of public need, and I have concluded that **conditional approval** of the request is warranted based on the following findings:

1. The proposed project is generally consistent with the applicable criteria and standards of the State Medical Facilities Plan and the Eight Required Considerations of the Code of Virginia.
2. The project is inventory neutral and is more favorable than maintaining the status quo.
3. The Board of the Health Systems Agency of Northern Virginia voted unanimously to recommend that the application be approved.
4. The capital costs are reasonable.
5. The proposed project appears economically viable in the immediate and the long-term.
6. There is no known opposition to the proposed project.

Mr. Paul Dreyer
COPN No. VA-04798

This certificate is valid for the period August 22, 2022 through August 21, 2023.
The total authorized capital cost of the project is \$1,922,109.

Please file two copies of the application for a certificate extension with the Department and one copy with the regional health planning agency no later than 30 days before the expiration date of the certificate. Part VIII of the Virginia Medical Care Facilities Certificate of Public Need Rules and Regulations identifies the filing requirements and review procedure for certificate extension requests.

Sincerely,

A handwritten signature in blue ink, appearing to read "Colin M. Greene".

This project shall be subject to the system-wide charity care condition applicable to Inova Health Care Services d/b/a Inova Health System pursuant to COPN No. VA-04381 (issued April 2, 2013), as amended by the State Health Commissioner by letter dated January 4, 2016 (the Inova System-Wide Condition). Pursuant to the 2016 reconsideration, the Inova System-Wide Condition reset to 3.9% as of January 1, 2022. Provided, however, that charity care provided under the Inova System-Wide condition shall be valued under the provider reimbursement methodology utilized by the Centers for Medicare and Medicaid Services for reimbursement under Title XVIII of the Social Security Act, 42 U.S.C. § 1395 et seq.

Inova Health System will accept a revised percentage based on the regional average after such time regional charity care data valued under the provider reimbursement methodology utilized by the Centers for Medicare and Medicaid Services for reimbursement under Title XVIII of the Social Security Act, 42 U.S.C. § 1395 et seq. is available from Virginia Health Information. In addition to any right to petition the Commissioner contained in the Inova System-Wide condition, to the extent Inova Health System expects its Inova System-Wide condition as valued under the provider reimbursement methodology utilized by the Centers for Medicare and Medicaid Services for reimbursement under Title XVIII of the Social Security Act, 42 U.S.C. § 1395 et seq. or any revised percentage to materially alter the value of its charity care commitment thereunder, it may petition the Commissioner for a modification to the Inova System-Wide condition to resolve the expected discrepancy.
