RE: **COPN No. VA-04810**
Reston Hospital Center, LLC
Reston, Virginia
Add one CT scanner at Reston Hospital Center

Dear Mr. Stallings:

In accordance with Chapter 4, Article 1.1 of Title 32.1 of the Code of Virginia of 1950 (the Code), as amended, I reviewed the application and all supporting documents submitted by Reston Hospital Center, LLC to add one computed tomography scanner at Reston Hospital Center.

As required by Section 32.1-102.3B of the Code, I have considered all factors that must be taken into account in a determination of public need, and I have concluded that **conditional approval** of the request is warranted based on the following findings:

1. The proposed project is generally consistent with the applicable criteria and standards of the State Medical Facilities Plan and the Eight Required Considerations of the Code of Virginia.
2. The applicant has demonstrated an institutional need to expand its CT services.
3. The proposed project appears economically viable in the long-term.
4. There is no known opposition to the proposed project.
5. The project is more favorable than maintaining the status quo.

This certificate is valid for the period October 24, 2022 through October 23, 2023.
There are no capital costs associated with the project.

Please file two copies of the application for a certificate extension with the Department no later than 30 days before the expiration date of the certificate. Part VIII of the Virginia Medical Care Facilities Certificate of Public Need Rules and Regulations identifies the filing requirements and review procedure for certificate extension requests.

Sincerely,

Colin M. Greene, MD, MPH
State Health Commissioner
