RE: Letter of Intent
Advanced Molecular Imaging & Therapy
Addition of PET/CT and SPECT/CT Services within Planning District 8

Dear Dr. Shelton:

Pursuant to 12 VAC 5-220-180 of the Virginia Medical Care Facilities Certificate of Public Need ("COPN") Rules and Regulations, I write to inform you that Advanced Molecular Imaging & Therapy, intends to submit a COPN application to establish a theragnostic center to include a Positron Emission Tomography scanner with computed tomography for attenuation correction and anatomical localization, and a Single Photon Emission Computed Tomography scanner with computed tomography for attenuation correction and anatomical localization. The planned location to set up this specialized center is Planning District 8.

Please send the necessary application forms to me at the address below. Thank you for your aid in this matter, and please let me know if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads 'Babak Saboury MD'.
