RE: COPN Letter of Intent

Dear Mr. Bodin:

Carilion Medical Center ("CMC") d/b/a Carilion Roanoke Memorial Hospital ("CRMH") intends to submit a Certificate of Public Need ("COPN") application for inclusion in the Radiation Therapy Batch Group Review Cycle.

CMC will seek COPN approval to expand its cancer treatment capability through the introduction of Proton Beam Therapy through the addition of one Proton Beam and one associated CT simulator for in-room image guided treatment on the CMC campus at 5 Riverside Circle, Roanoke, Va 24016 in Planning District 5, HPR III.

Please send any correspondence regarding this application to me, and I welcome any comments or questions you may have about this project.

Thank you.

Peggy Norkus
