Re: COPN Letter of Intent  
Edin Surgery Center  
Establish Ambulatory Surgery Center in Fairfax County

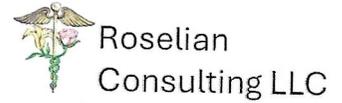

Dear Mr. Bodin,

I am writing on behalf of Roselian Consulting, LLC, which is providing healthcare consulting services to Kambiz Tajkarimi, MD and the newly developed Ambulatory Surgical Center, Edin Surgery Center, located at 8180 Greensboro Drive, Suite 325, McLean, VA 22102.

The proposed project will include four (4) fixed operating rooms in an outpatient setting located in McClean, Virginia. Dr. Tajkarimi will serve as the sole proprietor, Medical Director, and owner of the facility, holding National Provider Identifier (NPI) number 1942326251. He is a board-certified urologist and implant specialist who will be performing all penile implant and related surgical procedures under applicable Virginia statutes and regulations.

As required under the Certificate of Public Need process, the applicant will address project costs, need, and a more detailed project plan in the forthcoming application submission.

Roselian Consulting LLC  
122 Osprey Way  
Phoenixville, PA 19460

This Letter of Intent is intended to place this project in Batch Group B for the review cycle beginning March 10, 2026. Please confirm receipt of this Letter of Intent and advise regarding any required forms or additional procedural requirements.

Sincerely,

A handwritten signature in black ink that reads "Lillian Carson". The signature is written in a cursive style with a long, sweeping tail on the final letter.

Lillian Carson  
Principal  
Roselian Consulting, LLC
