Letter of Intent  
Expand MRI Services

Dear Commissioner Webb,

This letter is to advise you that Inova Health Care Services d/b/a Inova Alexandria Hospital intends to file a Certificate of Public Need application on or before March 31, 2026 to expand Inova Alexandria Hospital's MRI services through the addition of one (1) MRI scanner. The implementation schedule contemplated for this project is such that the MRI scanner will be brought online at the Inova Alexandria Replacement Hospital at Landmark (Planning District 8). This project will be accomplished through the inventory neutral relocation and replacement of COPN-authorized MRI capacity from the Inova Mark Center, a freestanding imaging center in Alexandria that is owned and operated by Inova Alexandria Hospital.

If you have any questions regarding this project, please feel free to contact me at 703-403-7598.

Sincerely,

Paul Dreyer
